Action Taken Report for the 2nd IQAC Meeting for the AY 2020-21

Agenda Number	Detail of the Agenda	Action Take Report
1	To read and confirm the minutes of the previous meeting.	The minutes & ATR were reviewed and approved by the authorities.
2	To implement conduction of online examinations in light of changing circumstances and advancements in technology.	A pilot online examination was conducted as a test run, and the results were reported to the committee for evaluation. This allowed for the identification of any potential issues or improvements needed before implementing full-scale online exams.
3	To discuss and design certificate course that aligns with the institution's vision	The development of the course outline for the certificate course was initiated, and the required approvals were sought to ensure that the curriculum met the necessary standards and guidelines for certification.
4	To suggest curricular and co-curricular activities online to enhance the learning experience for our students and ensure the continuity of education, even in virtual environments.	Virtual cultural events and sports activities were successfully coordinated, adapting to the digital environment to engage students and maintain a sense of community and recreation during the shift to online learning.
5	To discuss about budget allocation for each department to plan and execute their respective online activities	Each department head took responsibility for planning and executing their department's online activities, in addition to submitting budget proposals, ensuring efficient management of resources and activities within their respective areas.
