Action Taken Report for the 3rd IQAC Meeting for the AY 2020-21

Agenda Number	Detail of the Agenda	Action Take Report
1	To read and confirm the minutes of the previous meeting.	The minutes & ATR were reviewed and approved by the authorities.
2	To discuss on organization of online conference in hybrid mode.	The organization of an online conference in hybrid mode involved seamless coordination to ensure both in-person and virtual participants could engage effectively, adapting to the changing landscape of events in the digital age.
3	To present the result analysis of various departments and to share and discuss the outcomes and performance metrics of each department	As the leader of the result analysis subcommittee, strategies for academic improvement were proposed, reflecting a commitment to enhancing the quality of education by analyzing outcomes and recommending appropriate measures.
4	To discuss the importance of conducting a COVID vaccination drive in college campus.	The coordination of a COVID vaccination drive in collaboration with local health authorities underscored the institution's commitment to public health and safety during the pandemic.
5	To discuss about various activities for students	A comprehensive plan for student activities was prepared, focusing on creating a well-rounded student experience that encompasses academics, extracurriculars, and personal development.
6	To update the institution's website and ensure that the website remains informative, user-friendly, and up-to-date.	The institution's website was revamped and updated to provide an informative, user-friendly online platform that reflects the organization's mission and offerings.

7	To propose a structured framework for mentor-mentee program	The mentor-mentee program was successfully implemented to foster knowledge transfer and professional growth within the institution, promoting a supportive learning environment.
8	To discuss about the Activities Covering Cross-Cutting Areas - Humanity and Gender Ethics	Activities covering cross-cutting areas like humanity and gender ethics were organized, demonstrating the institution's commitment to promoting inclusivity and social responsibility.
9	To conduct a webinar to educate students and faculty about IPR	The coordination of an Intellectual Property Rights (IPR) webinar provided valuable insights into this important aspect of academia, supporting both faculty and students in understanding IPR concepts.
10	To discuss about the experiences and challenges of online examinations	Leading the subcommittee exploring secure online examination platforms exemplified a proactive approach to addressing the challenges of online education, ensuring the integrity and reliability of the examination process.
11	To discuss about the strategies and parameters to obtain Feedback Analysis from Stakeholders	The design and implementation of a feedback collection mechanism and subsequent analysis of stakeholder feedback demonstrated a commitment to continuous improvement and a responsive approach to meeting the needs and expectations of the institution's community.
