Report on Group Discussion on representation of LGBTQ Community in India

An informative session on 'LGBTQ' was held on 24th June, 2022 for all the students by the Women Development and Gender Sensitization Cell in collaboration with the Department of BAMMC. The session was aimed at increasing awareness and understanding of the LGBTQ community and their representation in India.

The session included a group discussion on the representation of the LGBTQ community in India. The event was well-attended, with students from various departments of the college participating in the discussion.

The session started with an introduction to the LGBTQ community, their struggles, and their rights. The discussion then focused on the representation of the LGBTQ community in India. The participants discussed various aspects of representation, including media representation, political representation, and social representation.

The participants also shared their personal experiences and stories, which helped in creating a more engaging and interactive discussion. The discussion was moderated by the organizers, who ensured that the discussion remained respectful and productive.

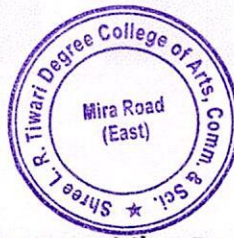

The discussion highlighted the need for more inclusive and diverse representation of the LGBTQ community in various sectors of society. The participants stressed the importance of creating safe and welcoming spaces for LGBTQ individuals, both in real life and in media.

The event concluded with a Q&A session, where participants asked questions and shared their views on the topic. The session helped in increasing awareness and understanding of the community and highlighted the need for more inclusive representation in society.
