Reports on "Importance of information Technology & Digital World"

Information technology pertains to the study, design and development of computer system and network, which are used for obtaining processing & distributing data. Our era has come to see the vital importance of digital electronics in our daily lives. It allows us to unlock a huge collection of information and communication data. Each kind of task, be it a regular task or a job specific task requires digital proficiency or literacy.

To increase knowledge in this particular field our college kept one day seminars for individual Class.

Mr. Rakesh jain (Owner of Weblink computer) took seminars of 30mins in each class on the topic "**Importance of IT & Digital world**" in FY.B.M.M./FY.B.A.F./FY.B.M.S./FY.B.B.I./FY.B.Com. He explained various key notes, application of IT & Digital in today's era. He also explained why Government forcing citizen towards "**Go cashless**" campaign. Sir also talks with students on Cyber security & how we can save our bank account.

The seminar are really Appreciated by our students. They gave positive feedback related to seminar.
