Report on "RBI Museum Visit"

Visit: RBI Museum

Date: 7th Oct 2022

Time: 7:30 a.m. to 12:00 p.m.

The **Department of B.B.I.** of Shree L.R. Tiwari Degree College of Arts, Commerce and Science had Conducted a **visit of RBI Museum on 7th Oct 2022 from 7:30 a.m. to 12:00 p.m.**

First, we had taken a permission letter of officer of RBI Museum. There were 50 students with 2 teachers at the visit. The purpose of this Visit was to learn about different currencies and the history of money. The primary function of the RBI is to control and regulate the monetary policy concerning the Indian Rupee. Besides, its other functions include issuance of currency, operating the currency, maintaining monetary stability in the country. We had also learned that the museum has a representative collection of over 10000 exhibits of Indian coinage, paper currency, financial instruments and monetary curiosities.

Finally, the session was rounded off and students enjoyed the visit as they got a fascinating insight into the world of money through artefacts & exhibits of currency, notes & rare coins.
