## Report for the Seminar on “Avishkar Research Convention- A University of Mumbai Initiative”

Research, Research, Innovation, Incubation and IPR Cell had organized on “Seminar on Guidance for Avishkar Research Convention- a University of Mumbai Initiative” on 25<sup>th</sup> August, 2022. Mentors of the teams held the Seminar providing students with the information regarding the importance of the Convention.

### Objectives:

The primary objectives of the seminar were:

- To acquaint students with the Avishkar Research Convention.
- To provide guidance on conducting meaningful and impactful research projects.
- To offer tips and strategies for effective project presentation and communication.

### Analysis

The event aimed to provide valuable insights and guidance to students participating in the Avishkar Research Convention, empowering them to excel in their research endeavors. The session focused on the research on innovative ideas, new technology and new processes of doing things.

### **The seminar covered the following key topics:**

- Introduction to Avishkar Research Convention.
- Selecting a research topic and formulating research questions.
- Research methodology and data collection techniques.
- Data analysis and interpretation.
- Creating an engaging research presentation.

Approved by Government of Maharashtra & Affiliated to University of Mumbai

### Key Takeaways:

- Understanding the importance of a well-defined research topic and clear research questions.
- Learning various research methodologies and data collection techniques appropriate for different projects.
- Gaining insights into effective data analysis and interpretation methods.
- Acquiring skills to create engaging and impactful research presentations.

Question and Answer session followed the presentations, allowing participants to ask questions and seek clarifications on the topics discussed. The presenters addressed various queries and provided additional guidance.

### Conclusion:

The "Guidance for Avishkar Research Convention for Students" seminar proved to be a valuable resource for students aiming to participate in the Avishkar Research Convention. The knowledge and insights shared by the presenters will undoubtedly enhance the quality and impact of students' research projects, ultimately contributing to the success of the convention.
