Report for Webinar on
“Impact of Entrepreneurship on Pre and Post Covid”

Objectives

- a) To provide insights into the changes observed in the entrepreneurial landscape during the pre and post-Covid - 19 periods.
- b) To explore the opportunities that has emerged for entrepreneurs in the post Covid – 19 era and discuss how they can be capitalized on.
- c) To analyze the role of digital transformation in the survival and growth of entrepreneurial ventures during the pandemic and beyond.

Methodology-

- Webinar based Interactive method of communication

Date: 15th September 2020 - 10:30 am onwards

Platform: Google Meet

REPORT:

The Research, Innovation, Incubation and IPR Cell at SLRTDC inculcate entrepreneurial spirit in the young minds, and aims at providing a platform where potential is tapped and opportunities are grabbed to assist, nourish and develop an aspiring idea into a business talent. The top priority of the Cell is to get these minds “thinking”. With the view to understand about the same, Shree L.R. Tiwari Degree College of Arts, Commerce and Science had organized a webinar on “Impact of Entrepreneurship on Pre and Post Covid” The esteemed speaker delivered a keynote speech, providing an overview of the pre-pandemic entrepreneurial landscape and discussing the challenges and

opportunities that emerged during the crisis.

Case Studies of successful entrepreneurs were shared in order to understand their experiences of adapting businesses during the pandemic. The speaker discussed various strategies that were used to sustain the ventures, the lessons learned, and the innovations they implemented to meet evolving market demands.

Participants had the opportunity to ask questions and engage with the speakers. This interactive session provided a platform for further clarification and in-depth Webinars on specific topics

The event concluded with a summary of the key insights and recommendations put forth by the participants. These recommendations focused on policies to support entrepreneurship, fostering digital innovation, promoting sustainability, and strengthening resilience in the face of future crises.

Many students from all courses attended the Webinar to increase their knowledge and awareness. Amongst them representatives from various departments volunteered for the Webinar. The event was honoured by the I/C principal Dr. Sanjay Mishra.

It encouraged students in understanding how they can take advantage of such initiatives and benefit from them.

Feedback Analysis

The students from various streams understood the objective of the event well and found it very useful. Students showed their concern for changing scenarios and put forward questions to the speaker as well, this helped the participants in understanding different situations and cases very clearly.

The Webinar clarified many doubts they had in their minds and helped the
