ACTION TAKEN REPORT ON FEEDBACK ANALYSIS (AY 2019-20)

The University of Mumbai will be promptly informed of the feedback received. Input on the curriculum was sought and gathered from key stakeholders, including students, teachers, parents, and alumni. The selection of parameters for obtaining feedback was done thoughtfully, aiming to uncover both the strengths to be enhanced and the weaknesses to address through remedial measures.

These carefully chosen parameters facilitated the assessment of both general and discipline-specific aspects of the curriculum. The results from analyzing stakeholder feedback on the curriculum have been conveyed to the Management, CDC, and IQAC.
