Report for Seminar on
“SWADESHI VICHAAR, SWADESHI PRACHAR- *A make in India Initiative*”

The Research Cell at SLRTDC inculcate entrepreneurial spirit in the young minds, and aims at providing a platform where potential is tapped and opportunities are grabbed to assist, nourish and develop an aspiring idea into a business talent. The top priority of the Cell is to get these minds “thinking”. With the view to understand about the same, Shree L.R. Tiwari Degree College of Arts, Commerce and Science had organized a Seminar on “SWADESHI VICHAAR, SWADESH PRACHAR- A make in India Initiative”

- The seminar was organised by Research Cell headed by Asst. Prof Rutika Malik.
- Many students from all courses attended the seminar to increase their knowledge and awareness. Amongst them representatives from various departments volunteered for the Seminar. The event was honoured by the I/C principal Dr. Chetna Shah.
- Mrs. Sae Sawant shared her views on the importance of Self-Reliance. She highlighted the transformative impact of the Make in India initiative on India's manufacturing sector. While significant progress has been made, it is crucial to address the challenges and implement the recommended measures to ensure sustained growth, foster innovation, and establish India as a global manufacturing powerhouse. She concluded the speech by saying that continued efforts and a collaborative approach among various stakeholders are necessary to further strengthen the initiative and drive sustainable growth in the Indian economy.

- The Seminar was planned and executed under the supervision of our principal Dr. Chetna Shah.
- Overall the event was a great learning experience for all students.

The seminar helped students_ increased their awareness towards skill development programs in India.

It helped students to understand the concepts like FDI, research and innovation.

It encouraged students in understanding how they can take advantage of such initiatives and benefit from them.

The students from all the different streams understood the objective of the event well and found it very useful. Students showed their enthusiasm, and put forward questions to the speaker as well, this helped the participants in understanding different situations and cases very clearly.

The Seminar clarified many doubts they had in their minds and helped the students in understanding how such initiatives can make impact on their career. Overall it was a very Motivating and knowledgeable session and students found it interesting as well.
