The first intercollegiate fest 'FILMPRENEUR' was organized by BAMMC department in collaboration with the BMS department in Shree L.R Tiwari Degree College campus (Seminar Hall) on 17th September, 2022 from 11 am till 12.30pm.

The event began with the lighting of the lamp followed by Saraswati Vandana. An introduction of the event along with a welcome speech was delivered by a student. Post that, introduction and felicitation of the guest was done. The chief guest of the occasion was Mrs Kirron Arya, a versatile actor who has worked on several soap operas and film projects, RRR (2022), Shershaah (2021) and Timir (2023) being some of her latest works. The actor reflected upon her college days and festivals and shared some memorable experiences of her film journey with the enthusiastic participants and audiences.

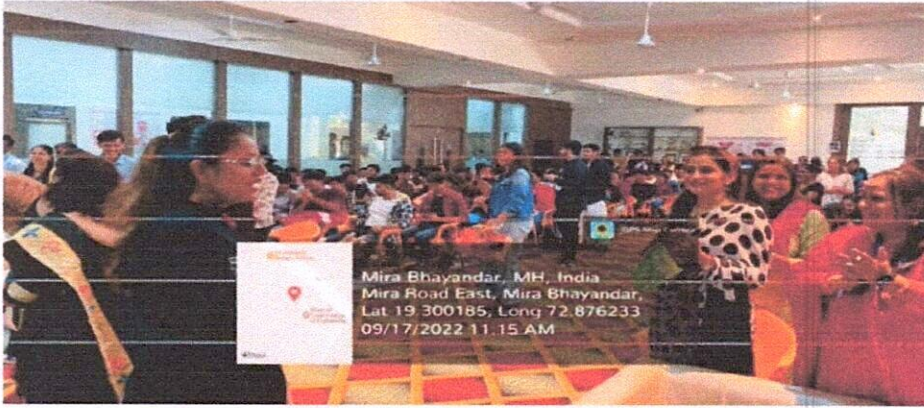

Presence of the COO of Rahul Education Society, Shree Utsav Tiwari Sir added more spark to the event. He addressed the gathering with his words of wisdom and encouraged the students to show their participation in more of such eventful festivals in future. Respected Principal Sir, Dr. Sanjay Mishra reflected on the relevance of such events in curriculum that helps in building leadership quality, teamspirit etc among students.

The theme of the FILMPRENEUR event was 'Bollywood Films from 60's to Modern Era' and the entire programme flow was seamlessly carried out by students under the guidance of Krunal Acharya Sir, guest faculty of BAMMC dept. There were game sessions for teachers that added more fun and gaiety to the event. Fashion show of students portraying iconic Bollywood stars was the main attraction of the event. The entire hall vibrated with the incessant applauds of the audience.

Faculties and students from other departments appreciated the joint initiative taken by the BAMMC and BMS department in presenting such a fun-filled and thoroughly entertaining event that is going to linger in their memories for years. The event culminated with a vote of thanks followed by the singing of the national anthem.
