## Report for the Webinar on Integrated and Non-Integrated system of Account :

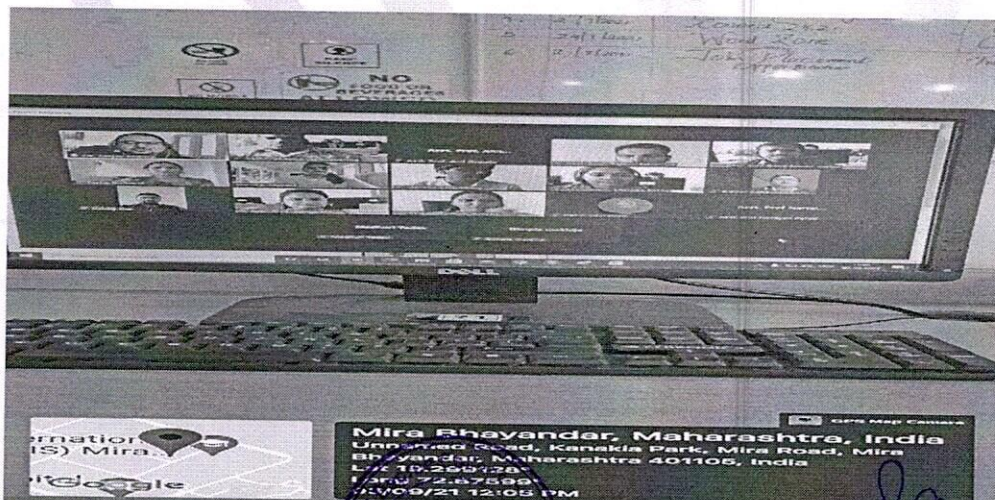

Date: 25<sup>th</sup> August 2020

### Report

The coronavirus pandemic has resulted in the closure of schools and colleges across the country. Education has changed dramatically over the last two months, with a considerable rise of e-learning, whereby teaching is executed remotely and on digital platforms. With the view of the situation and continuation of learning, Shree L.R. Tiwari Degree College of Arts, Commerce and Science had organized an Webinar on Integrated and Non-Integrated system of Account. Many students from all courses attended the webinar to increase their knowledge. With our special guest of the day **CA. Ketan Diyora** CEO of **Babulal Diyora & CO F.CA.DIS.A.C.F.E(I.C.A.I)**

The event was observed by Prof. Munira Sayyed Bcom Coordinator. The webinar was managed under the supervision of our principal sir **DR. Sanjay Mishra**. Overall the webinar was a great learning experience for all students. In this situation of a global health crisis, the virtual system of learning has proved its merits. As the technology advances, this system is here to stay. But, accepting the virtual method doesn't mean rejecting the traditional classroom pedagogy. The convenience and low-cost model of virtual learning.

The virtual learning and classroom lessons have their own importance. In these times of pandemic, virtual learning is more important so that the education of students is not hindered.. They are able to learn new skills and upgrading themselves. Thus, both forms of teachings have their own place.
