Report on Group Discussion on Current situation in Afghanistan under Taliban and its wide spread impact on various stakeholders.

On 26th August, 2021 BAMMC department of Shree. L. R. Tiwari College of Commerce, Arts and Science organized Group Discussion on Current situation in Afghanistan under Taliban and its wide spread impact on various stakeholders. The discussion began with an overview of the historical context and recent developments leading to the Taliban's return to power. It laid the foundation for a comprehensive understanding of the topic. The group delved into the humanitarian crisis in Afghanistan, focusing on issues such as food shortages, healthcare, and displacement. Participants shared concerns about the vulnerable populations, particularly women and children.

Outcome of the events:

- The discussion encourages empathy towards the Afghan people and a sense of global citizenship, motivating students to engage with international humanitarian issues.
- Students gain a deeper understanding of the complex issues surrounding the situation in Afghanistan, including historical context and recent developments.

We extend our gratitude to the participants, and all those who contributed to the success of this event.
