Report for the Webinar on “Avishkar Research Convention- A University of Mumbai Initiative”

Research, Innovation and Extension Cell had organized on “Webinar on Guidance for Avishkar Research Convention- a University of Mumbai Initiative” on 7th August, 2021. Mentors of the teams held the Webinar providing students with the information regarding the importance of the Convention.

Objectives:

The primary objectives of the webinar were:

- To acquaint students with the Avishkar Research Convention.
- To provide guidance on conducting meaningful and impactful research projects.
- To offer tips and strategies for effective project presentation and communication.

Analysis

The event aimed to provide valuable insights and guidance to students participating in the Avishkar Research Convention, empowering them to excel in their research endeavors. The session focused on the research on innovative ideas, new technology and new processes of doing things.

The webinar covered the following key topics:

- Introduction to Avishkar Research Convention.
- Selecting a research topic and formulating research questions.
- Research methodology and data collection techniques.
- Data analysis and interpretation.
- Creating an engaging research presentation.

Key Takeaways:

- Understanding the importance of a well-defined research topic and clear research

questions.

- b. Learning various research methodologies and data collection techniques appropriate for different projects.
- c. Gaining insights into effective data analysis and interpretation methods.
- d. Acquiring skills to create engaging and impactful research presentations.

Question and Answer sessions followed the presentations, allowing participants to ask questions and seek clarifications on the topics discussed. The presenters addressed various queries and provided additional guidance.

Conclusion:

The "Guidance for Avishkar Research Convention for Students" webinar proved to be a valuable resource for students aiming to participate in the Avishkar Research Convention. The knowledge and insights shared by the presenters will undoubtedly enhance the quality and impact of students' research projects, ultimately contributing to the success of the convention.
