Report on Short Film Screening for BAMMC Students

The BAMMC department organized screening of the short film 'Bas Do Minute' by a SY BAMMC student named Ishwara Arya on 9th December 2023 for the FY and SY students of the department in college premises. The comprehensive and immersive experience in the world of filmmaking provided the students with practical insights and was an enriching experience for all the students as well as faculties who were present at the session.

The film has made way in International Film Festivals in 'Student's Category'. The concept, cinematography, direction and interesting plot gained much appreciation from all.

Objectives of the Film Screening:

- To provide the platform for budding film makers to showcase their creative prowess and storytelling skills.
- To enhance the visual literacy among the students, encouraging an appreciation for the art of film making.
- To foster a culture of film making within the college and helping students explore and express themselves through the powerful medium of film.

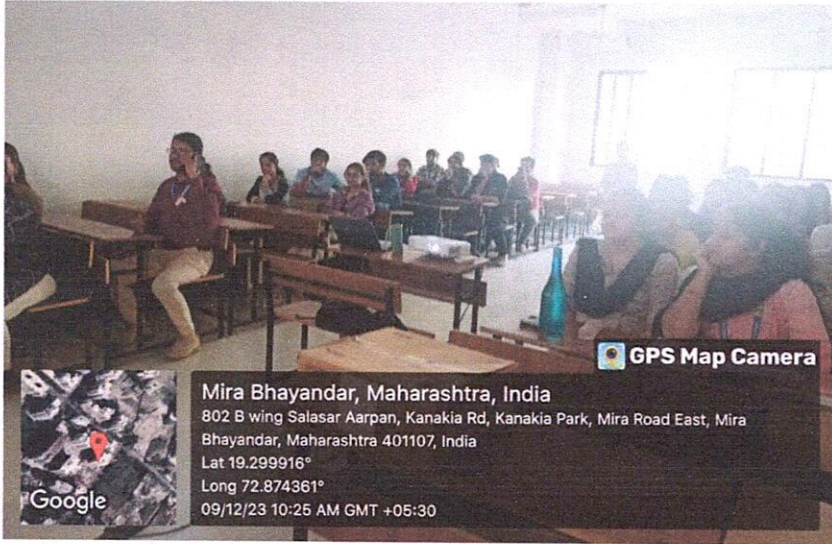

Outcome of the Film Screening:

- It provided an exposure to short film making and served as inspiration for FY and SY students.
- It helped the students analyze and discuss the artistic and technical aspects of the films.

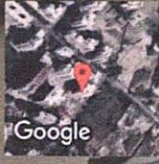

- It allowed students to observe and understand various filmmaking techniques, including cinematography, editing, sound design, and storytelling.
- This exposure broadened students' perspectives and help them appreciate unique storytelling techniques.
