Seminar Report

Seminar On: Career in Information Technology

Speaker : Mr. JP Raut

Date: 14th August 2019

Venue: Shree L.R.Tiwari Degree College Of Arts, Commerce & Science, Seminar Hall.

About:

Shree L.R.Tiwari College of Arts, Commerce & Science organized the seminar for First year and second year Students of IT and CS department. The session was conducted by **Mr. JP Raut**. In this seminar student acknowledged a complete knowledge of basic and advanced level of IT field. The information age has ushered in advances in computer and communication technology, advances that have sparked what has been termed the "information revolution." **Mr. JP Raut** Sir then spoke to the students telling them of the importance of setting up personal goals in life and how it helps make their vision for the future clearer in IT department.

Information technology drives the dynamic information infrastructure that has become integrated on a global scale socially, culturally, and economically. Databases. Apps. Computer software. Websites. Mobile data. Servers. Voice networks. Broadly, information technology can be defined as the use of computing via various components (e.g. hardware, services, software) to develop, manage, transform, share and store information in different forms.

The Chief Guests were then presented with a Tulsi plant by **Principal Dr.Chetana Shah** as a token of gratitude and appreciation.
