Report on

Hackathon for Social Impact : A guide
towards social Entrepreneurship

Objectives-

a) To educate participants on the concept of corporate social responsibility (CSR) and the positive impact businesses can have on society.

b) To facilitate the exchange of ideas, experiences, and perspectives to foster innovative solutions for social challenges.

c) To encourage participants to think outside the box and explore unconventional ideas that have the potential for high social impact.

Methodology-

- Webinar based Interactive method of communication

Date: 30th September 2021 - 10:30 am onwards
Platform: Google Meet

REPORT:

The Research, Innovation, Incubation and IPR Cell at SLRTDC inculcate entrepreneurial spirit in the young minds, and aims at providing a platform where potential is tapped and opportunities are grabbed to assist, nourish and develop an aspiring idea into a business talent. The top priority of the Cell is to get these minds "thinking". With the view to understand about the same, Shree L.R. Tiwari Degree College of Arts, Commerce and Science had organized a webinar on "Hackathon for Social Impact: Harnessing Business Contributions.
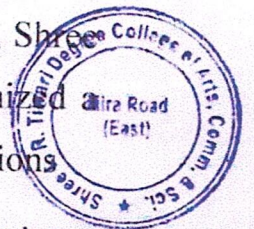

Shree.L.R.Tiwari Educational Campus, Mira Road (E), Thane-401107, Maharashtra.

SHREE L. R. TIWARI DEGREE COLLEGE
(Arts | Commerce | Science)
Approved by Goverment of Maharashtra & Affiliated to University of Mumbai

PIONEERING EDUCATION
★ SINCE 1992 ★

for Social Causes "

> The seminar was organised by Entrepreneur Cell headed by Mrs. Saee Sawant.

> The hackathon commenced with an inspiring opening session that highlighted the importance of businesses embracing social responsibility. Prominent speakers shared real-life examples of successful initiatives and emphasized the transformative power of businesses in driving positive social change.

> Participants were divided into teams and encouraged to engage in ideation and brainstorming sessions. Each team identified a specific social cause they were passionate about and explored how business principles, innovation, and technology could be leveraged to address these challenges effectively. The teams generated a range of creative ideas, considering both traditional business models and emerging trends.

> Participants learned about the fundamentals of social entrepreneurship, including the triple bottom line approach, impact measurement, and sustainable business models.

> This workshop explored the role of technology, such as artificial intelligence, blockchain, and data analytics, in advancing social causes and creating scalable solutions.

> The Hackathon for Social Impact successfully engaged participants in an interactive and thought-provoking exploration of how businesses can contribute to social causes. Through the exchange of ideas, workshops, and collaborative networking, participants gained valuable insights and developed innovative solutions to address pressing social issues.

Shree.L.R.Tiwari Educational Campus, Mira Road (E), Thane-401107, Maharashtra.

Outcome:

As a key outcome of the hackathon, each team developed an action plan outlining the next steps for their project. These action plans incorporated considerations for implementation, partnerships, resource mobilization, and impact measurement. The organizers committed to providing ongoing support to the teams, including mentorship, networking opportunities, and access to resources.

Feedback Analysis

The students from various streams understood the objective of the event well and found it very useful. Students showed their concern for problems faced by people in the society and put forward questions to the speaker as well, this helped the participants in understanding different situations and cases very clearly.

The Webinar clarified doubts they had in their minds and helped the students in understanding how their entrepreneurial contribution could help the development and betterment of the society. Overall it was a very Motivating and knowledgeable session and students found it interesting as well.
