ABOUT UGC -HRDC

The University Grants Commission has been making proactive efforts to upgrade the knowledge and skills of faculty members in the institutions of higher education. For the purpose of organising orientation and refresher courses for in service faculty members, the UGC has established and funds a network of 66 Academic Staff Colleges across the country.

The UGC, in pursuance of the NPE 1986, launched the Academic Staff College (UGC - Human Resource Development Centre) Programme for promoting quality in higher education. In this endeavor, 66 Academic Staff Colleges (UGC-Human Resource Development Centres) were established in different Universities all over India, fully funded by the UGC.

To achieve the NPE objectives the following steps were proposed

- a) To organize specially designed orientation programmes (OPs) in pedagogy, educational psychology and philosophy, and socio-economic and political concerns for all new entrants at the level of Lecturers;*
- b) To organize such orientation programmes and refresher courses (RCs) for serving teachers, covering every teacher at least once in three to five years;*
- c) To organize specially designed orientation programmes/refresher courses in IT for new entrants as well as for in-service teachers;*
- d) To encourage teachers to participate in seminars, symposia, workshops, etc.*

In order to achieve the above, a Scheme of setting up UGC- Human Resource Development Centre in suitable universities in the country was initiated by the University Grants Commission (UGC).

About JAI NARAIN VYAS UNIVERSITY

Jai Narain Vyas University, formerly known as University of Jodhpur. University of Jodhpur I was Established in 1962, and following four Government Colleges of Jodhpur became part of the University.

- I. MBM Engineering College (Now Faculty of Engineering & Architecture (11 Department)),*
- II. Jaswant College (now Faculty of Commerce & Management Studies with 04 Departments),*
- III. S.M.K. College (now Faculty of Law and Campus of Institute of Evening Studies and also being used presently for Under graduate teaching of Faculty of Arts. This also houses Coaching Centre for Weaker Sections),*
- IV. K.N. College for Women (The multi-faculty constituent college of the University).*

Dr. S. Radhakrishnan, the President of India inaugurated the then University of Jodhpur on 24th August, 1962. In his inaugural address the Hon'ble President revered Prof. Radha Krishnan desired and defined the goals and objective "That the young people, who will be educated in this university, will go forward not as prisoners of the past, but as pilgrims of the future; will develop in them a spirit of dedication, a spirit of renunciation, a spirit of whole-hearted, single-minded concentration on the advancement of the knowledge, whether in science or humanities."

This was the only residential University in the State of Rajasthan, catering mainly the needs of students of western Rajasthan (the Marwar). Since, this University is located in the great Indian Thar Desert, its R&D activities centered on heritage, society and challenges of the region. This is the Western most University of the country and imparts education and conducts research in border areas neighboring Pakistan. It is our endeavor to provide education not only to citizens of the Desert border Districts but also to the wards of Defence/Paramilitary forces and other Organizations which are working in strategically important sectors of the country.

Jai Narain Vyas University is now a divisional university for western part of the Rajasthan State.

Importance of IPRs in general

Why should an IP be protected?

- IP is an assets and can be exploited by the owner for commercial gains.
- IP owner can stop others from manufacturing and selling products and services which are dully protected by the IP owner.
- IP owner can sell and/or license the IP for commercial gains.
