Report of a seminar conducted on "Artificial Intelligence and Machine Learning"

Topic: Artificial Intelligence and Machine Learning
Resource Person: Mr. Hrishikesh Mahure
Total Participants: 160

An **Orientation Programme** on Artificial Intelligence and Machine Learning for B.Sc.I.T., B.Sc.C.S., and B.Sc.D.S. students was held at Shree L. R. Tiwari Degree College of Arts, Commerce, and Science on June 22, 2023, from 9:30 a.m. to 11:00 a.m. in **collaboration with _VOIS (Campaign run by EDUNET).**

Respected Principal Dr. Sanjay Mishra delivered the topic's introduction to the intended audience and discussed the advantages of the _VOIS campaign sponsored by EDUNET for degree-seeking college students who are pursuing careers in technical fields. Additionally, Ms. Huda Petkar and Ms. Sonam Gautam, third-year students, provided a brief introduction of the guest.

During the orientation program, Resource Person successfully guided students about a wide range of AI and ML courses offered by _VOIS on their online platforms by providing a comprehensive overview of the courses and certifications, students were equipped with the necessary information to make informed decisions about their learning paths. This program aimed to empower students to embark on their AI and ML journeys with confidence, ensuring their preparedness for the evolving job market and fostering their professional growth in this rapidly advancing field. Beside this Resource Person also guided about other courses available such as Cloud Computing,Cyber Security, Power BI etc.

The session was very fruitful and appreciated by the participants and the end of the session feedback form is circulated to all the students.

Objective: The purpose of this seminar is to inform students about the courses in artificial intelligence and machine learning offered by _VOIS and how these courses will help them progress their careers.

Outcome:

1. Students gained a fundamental understanding of what AI and ML are, their basic concepts and how they differ from traditional programming approaches.
2. Students understood about the current trends, advancements and future prospects in AI and ML & how these courses will help students advance their careers in the technical field.
3. Students gained a thorough understanding of the features and functionalities of the specific LMS - Learning Management system (_VOIS) used. This included how to: navigate the system, accessing course materials, submitting assignment, to track their progress and mark completion of modules/ units., access different resources within the course, to generate certificates.

Glimpses of a seminar:-
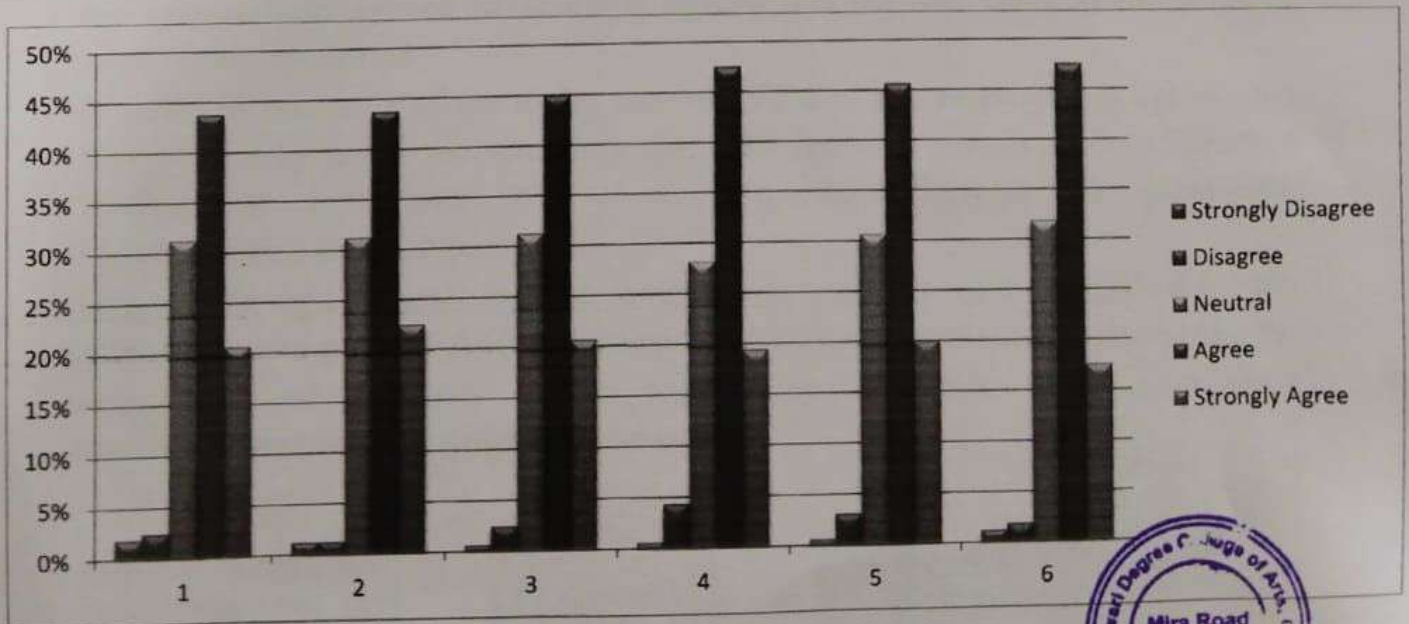

Date: 22nd June, 2023

Students Feedback Analysis of a seminar on
"Artificial Intelligence and Machine Learning"

Topic: Artificial Intelligence and Machine Learning
Resource Person: Mr. Hrishikesh Mahure
Total Participants: 160

Description	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	Total	Overall Satisfaction (%)
The arrangement of the Seminar was good	2%	3%	31%	44%	21%	160	96%
The objectives of the session were Clearly identified	1%	1%	31%	44%	23%	160	98%
The topics covered were relevant to the title of Seminar.	1%	3%	31%	45%	21%	160	97%
The time allotted for the seminar was sufficient	1%	4%	28%	48%	19%	160	95%
Resource person was knowledgeable and well prepared.	1%	3%	31%	46%	20%	160	96%
Interaction with resource person was encouraged	1%	2%	32%	48%	18%	160	97%

| Description	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree	Total	Overall Satisfaction (%)
The arrangement of the Seminar was good	2%	3%	31%	44%	21%	160	96%
The objectives of the session were Clearly identified	1%	1%	31%	44%	23%	160	98%
The topics covered were relevant to the title of Seminar.	1%	3%	31%	45%	21%	160	97%
The time allotted for the seminar was sufficient	1%	4%	28%	48%	19%	160	95%
Resource person was knowledgeable and well prepared.	1%	3%	31%	46%	20%	160	96%
Interaction with resource person was encouraged	1%	2%	32%	48%	18%	160	97%

Interpretation:

Overall the data indicates that the majority of respondents had **positive perceptions** of the seminar's arrangement, clarity of objectives, relevance of the topics, time allocation, knowledge of the resources person, and encouragement of the interaction. However, there were also notable percentages of respondents who remained neutral on these statements. Additionally, there were small percentages of respondents who expressed disagreement or strong disagreement on certain aspects.
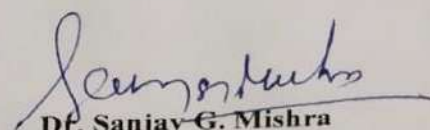

It can be concluded that the **majority of respondents had positive feedback** regarding various aspects of the seminar. The arrangement of the seminar was considered good or strongly good by **96% of the respondents.** Similarly **98% of the respondents agreed or strongly agreed** that the objectives of the sessions were clearly identified.

In terms of relevance of the topics covered, **97% of the respondents** agreed that they were relevant to the seminar's title. The resource person received positive feedback as well, with 96% of the respondents agreed that they were knowledgeable and well prepared.

Overall, the data suggests that the seminar was generally **well – received by the attendees,** with **positive feedback** regarding various aspects such as arrangements, objectives, and relevance of the topic, time allocation, resource person's knowledge and encouragement of interaction.
