NOTICE

We are pleased to present to you an exciting opportunity to become involved in our community by volunteering for our soon-to-be Social Media Education Programme for the Elderly. With the help of this programme, senior citizens will be better equipped to navigate the digital divide by learning about a variety of social media platforms.

We are planning a special community outreach programme in which students will teach senior citizens about different social media platforms. The programme will be held at a nearby park, which offers participants and students a warm and interesting environment.

Activities:

Overview of several applications: Describe the main purposes, advantages, and applications of various application platforms.

Hands-on Sessions: Help senior citizens create and use their own accounts on several applications, including Amazon, Instagram, WhatsApp, and Img.

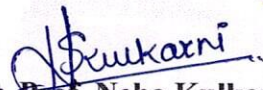

Safety and Etiquette: Provide advice on how to use social media responsibly and be safe online.

Date: 16th, 17th, 18th and 19th OCT 2023

We want all students to join us in improving the lives of our older neighbours, especially those who have a passion for technology and community service.

Event: Social Outreach Program for Senior Citizens

Date: 16th October 2023 to 18th October 2023

Venue: Various Location, Mira Road (East)

REPORT ON “SOCIAL OUTREACH PROGRAM for Senior Citizens”

Organized by the Department of BSCIT, BSCCS, and BSCDS

The Social Outreach Program for Senior Citizens, organized by the Departments of BSCIT, BSCCS, and BSCDS, aimed at providing technological training to senior citizens in the community. Three teams, each focusing on different tech-based applications, conducted sessions over a span of three days.

Team 1:

Date: 16/10/23 - 18/10/23

Venue: Pinnacolo Garden and Ramdev Park

Topics: Dmart Ready, WhatsApp, OLA

Team 1 conducted sessions on three different days, covering diverse topics. The Dmart Ready session at Pinnacolo Garden had 8 senior learners and 5 students participating. The subsequent days covered WhatsApp at Pinnacolo Garden and OLA at Ramdev Park, with 11 learners and 16 learners, respectively. The student involvement remained consistent, with 5 students actively engaging in each session.

Team 2:

Date: 16/10/2004 - 18/10/2004

Venue: Galaxy Park, Orange Ground (Datta Mandir Garden)

Topics: PharmEasy, Dmart, WhatsApp

Team 2 focused on three different applications, beginning with PharmEasy at Galaxy Park, followed by Dmart at Orange Ground (Datta Mandir Garden), and concluding with WhatsApp at Orange Ground. The number of learners ranged from 20+ to 25+, with 5 students consistently participating in each session.

Team 3:

Date: 16/10/23 - 18/10/23

Venue: Ramdev Park & Seven Eleven, Pinnacolo

Topics: WhatsApp, OLA, Pharmacy

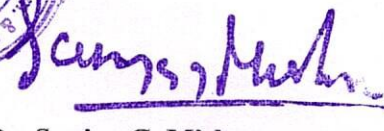

Team 3 covered WhatsApp and OLA at Ramdev Park & Seven Eleven on the first two days, followed by a session on Pharmacy at Pinnacolo on the third day. The number of learners increased progressively, with 26, 23, and 32 participants on each respective day. Student engagement remained steady with 5, 4, and 4 students on the three days.

The Social Outreach Program for Senior Citizens, facilitated by BSCIT, BSCCS, and BSCDS students, successfully imparted technological knowledge to the elderly community. The diverse range of topics, venues, and learner participation showcased the effectiveness of the program. The commitment of the student teams in conducting these sessions demonstrates a positive step towards bridging the technological generation gap and promoting digital literacy among senior citizens.
