INTRODUCTION:

Training and Placement Committee was formed in the year 2019-20, first year of training and placement in college is a crucial period where students get connected from the academic environment to the professional world. This phase typically involves a combination of academic learning and practical training to prepare students for their future careers.

OBJECTIVES OF THE EVENT:

- To provide students information about various industries, career pathways and employment prospects that are available after completing their degree.
- To provide placement opportunities to students in various fields and expose students to understand the different aspects of training interview.
- To assist students in creating effective resumes emphasizing their academic achievements, skills, and experiences.
- To help students better grasp market expectations and trends by facilitating contacts between them and experts through industry visits, guest lectures, and networking activities.
