### Report of Aptitude Test of First Year Degree College Students

17 August, 2023

The aptitude test was conducted for the First-year students with the objective to identify slow and advance learners and to measure students' problem-solving skills and thinking patterns to help them and their educators understand their academic strength and weakness of assessing their skills and knowledge in various areas, including mathematics, comprehension, and general knowledge etc. The test was designed to provide insights into the students' aptitude and readiness for academic challenges.

To empower the students with their personal need, an aptitude assessment was conducted online this year by the Competitive Examination Guidance and SC/ST Cell for the students of First Year Degree College under the guidance of the Principal, Dr Sanjay Mishra on Thursday, 17th August, 2023.

Organising Committee comprised of Dr. Nusrat Choudhary as event coordinator, Asst. prof. Delsey Lobo as Convener, Competitive Exam Guidance Cell and Asst. prof. Mayur Pillai and Asst. prof. Sumit Pandey as organising and technical team.

Students received the Google form test link. The test comprised various parts like Logical reasoning, Mathematics, General Knowledge, comprehension etc. The links were programmed to be active and open to accept responses from students only at the allotted time. Students were encouraged to follow their teachers' instructions carefully.

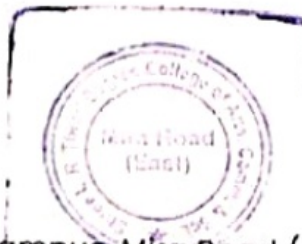

The response was amazing. The student participated in aptitude test are 343 and received the feedback from 331 students.

The aptitude test results will be passed on to the respective coordinators to plan further activities for academic improvement of first year students. By addressing these recommendations, we can help students reach their full potential and excel in their academic journey.
