**Report on 'Guidance session on Awareness on international day
on plastic ban'**
(CONDUCTED BY DEPARTMENT OF BMS)

Date: 4th June, 2022

Report

Guidance session on Awareness on international day on plastic ban was conducted in Shree L.R. Tiwari College for all the students in the College at 08AM. Students made many pictures and posters related with the event. Students describe that Everyday millions of plastic bags get disposed of, and without active people like yourself getting involved, the future is going to be dealing with hundreds of millions of pounds of plastic bags clogging oceans, rivers, and the world at large. The problem has reached such proportions that what was once clean sand on the beaches of the world are now being found to be made of composites of natural substances and garbage plastic. The event concluded with questions by the students.
