Date: 02nd Dec, 2023

Report for the session on "Sustainable Solutions: Managing Air Quality and Pollution in the Environment"

Green Campus Committee

Objectives:

- The primary objective of the Green Campus was to commemorate National Pollution Control Day by fostering awareness and understanding of sustainable solutions for managing air quality and pollution in the environment.
- The event aimed to emphasize the importance of collective efforts towards environmental stewardship and responsible air quality management.

Methodology: Seminar

Date: 02nd Dec, 2023

Time: 10: AM to 12: PM

Venue: Room No 502, New Building

Report for the session on "Sustainable Solutions: Managing Air Quality and Pollution in the Environment"

The seminar on "Sustainable Solutions: Managing Air Quality and Pollution in the Environment" was organized by the Green Campus Committee of Shree L R Tiwari Degree College in commemoration of National Pollution Control Day. The event took place on the 2nd of December, 2023, from 10:00 AM to 12:00 PM in Room No 502 of the New Building.

The event featured Mr. Subhajit Mukherjee as the esteemed guest speaker. Known as 'The Environment Crusader,' Mr. Mukherjee is credited with spearheading the mass movement of 'Tree Plantation' in and around Mumbai. His remarkable contribution includes the planting of over 63,000 trees, significantly enhancing the green cover of Mumbai and earning him the well-deserved title of 'The Green Man.'

Mr. Mukherjee engaged the audience with an interactive quiz session, testing their knowledge on environmental issues and pollution control measures. This proved to be an effective way to enhance awareness and participation.

The guest speaker delivered a compelling presentation, shedding light on the importance of sustainable solutions for managing air quality and pollution in the environment. The presentation included insightful data, case studies, and practical tips for individuals and institutions.

Attendees were provided with user guides containing practical information on how to reduce indoor pollution. These guides serve as valuable resources for individuals to implement eco-friendly practices in their daily lives.

Mr. Mukherjee emphasized the need for the college to take a proactive role in environmental conservation. He recommended initiating a program to collect plastic waste within the college premises and ensuring its proper recycling. This initiative aligns with the broader goal of reducing plastic pollution and promoting a sustainable campus environment.

Outcome

- The event proved to be highly successful in achieving its objectives. Mr. Mukherjee's insightful presentation captivated the audience, shedding light on the urgency of environmental conservation.
- His personal experiences and achievements in driving the tree plantation movement in Mumbai resonated with the audience, inspiring a sense of responsibility towards the environment.
- The emphasis on sustainable solutions for managing air quality and pollution sparked meaningful discussions among participants.

Feedback:

- Participants appreciated the relevance of the event in the context of National Pollution Control Day and found Mr. Mukherjee's insights to be both informative and motivational.
- The event successfully heightened awareness about the importance of sustainable practices in air quality management and pollution control.
- Attendees expressed a desire for more such initiatives that promote environmental consciousness and provide actionable solutions.
