**Expert Talk on Innovation Development, Technology Readiness Level,
Commercialization of Lab Technology, and Tech-Transfer**

Date: 7th February 2024

Time: 11:00 AM

Mode: Online

Host: Shree L.R. Tiwari Degree College

Collaborators: Institute Innovation Council and MoE's Innovation Cell

Objective:

The objective of the expert talk was to enhance understanding among students, faculty, and staff of Shree L.R. Tiwari Degree College regarding the process of innovation development, technology readiness levels, commercialization of lab technology, and technology transfer. The aim was to provide insights into these crucial aspects of innovation and technology management, thereby fostering a culture of innovation within the academic community.

Outcomes:

The event, featuring Mr. Sayam Ganguly as the esteemed speaker, was attended by 112 participants online. The outcomes of the expert talk were as follows:

1. **Comprehensive Understanding:** Participants gained insights into innovation development, covering ideation to implementation.
2. **TRL Awareness:** Understanding of Technology Readiness Levels (TRLs) was heightened, enabling assessment of technology maturity.
3. **Commercialization Insight:** Attendees learned about commercializing lab technology, including IP considerations and market analysis.
4. **Technology Transfer Awareness:** The session highlighted technology transfer mechanisms and challenges, emphasizing effective collaboration.

Overall, the expert talk provided valuable insights into key aspects of innovation management and technology commercialization, empowering participants to contribute effectively to the innovation ecosystem. The collaboration between Shree L.R. Tiwari Degree College, the Institute Innovation Council, and MoE's Innovation Cell facilitated the dissemination of knowledge and the promotion of innovation culture within the academic community.
