#### About activity:

The Impact Lecture Series 6.0, organized by the **Institution Innovation Council (IIC)** of **Shree L.R. Tiwari degree college of Arts, Commerce and Science** and supported and sponsored by the **Ministry of Education's Innovation Cell (MIC), Government of India** and **All India Council for Technical Education (AICTE)** proved to be a pivotal event aimed at fostering innovation and entrepreneurship among its participants. The event was held on June 19th, 2024, at the Shree L.R Tiwari degree college of Arts, Commerce and Science auditorium, the series spanned from 10:00 am to 1:00 pm, two sessions of one and half hour each dedicating itself to equipping attendees with the essential tools, insights, and practical strategies needed to drive impactful change through visionary ideas.

The event was graced by **Smt. Krishna R. Tiwari, Joint Secretary, Rahul Education** who motivated the students to take up entrepreneurship, lead and create a problem-solving business model which would also align with the mission of the institution i.e. to help and benefit the society in different ways. **Dr. Mayur Dubey, Director – Innovation and Incubation, Rahul Education** who also guided and encouraged the attendees to come up with innovative business models. He also emphasised on building the connections with different venture capitalists that the institute shall continue to bring through further impact lecture series. The principals of all HEIs of Rahul Education also graced the event by their presence.

**Dr. Sanjay Mishra, I/C Principal of Shree L. R. Tiwari Degree College** gave details about the rising number of Unicorn companies in India as compared to other developed and

developing countries around the globe, Start-ups ecosystem, Various schemes offered by Government of India,

Dr. Vaishali Kothiya, Dean of Research, Innovation, Incubation & IPR Cell, and Asst. Prof. Jinal Mehta convener of Institution Innovation Council with their team meticulously coordinated the event, ensuring a conducive environment for learning and collaboration.

These sessions not only streamline campus innovation and start-up ecosystem but also help in establishing strong connection with ecosystem enablers at regional and national level, and aware students and faculty members about innovation ecosystem in their surrounding and at national level. The target Group of the Seminar was Graduate, post graduate and research scholars. Approximately 160 plus students and faculty members attended the Seminar.

He do whatever it takes!10+ years of Hands on Experience in building Organizations, Relationships, Teams & Products. Building the startup ecosystem with India's first preseed tech incubation platform known as Antennae Ventures The highlights of the webinar are as follows:

The speaker threw light on Startups that have become the engines of innovation and growth. They have the potential to disrupt entire industries and create new markets. However, funding is crucial for new companies to bring their ideas to life and scale their businesses. With the recent slowdown in startup funding in India, entrepreneurs need to understand what investors look for in startups to raise capital.

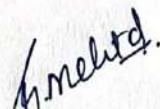

**Outcome:** The Impact Lecture series session I created awareness about various aspects of Innovation in drug delivery system. The students learned current techniques in development of oral solid dosage forms. Participants gained valuable insights on the importance of Cultivating Creative Solutions moreover the Idea to Investment that is unlocking Funding for Innovation. The session also helped in implementing the visionary ideas to improve the lives of millions.

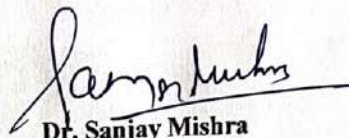

**Feedback:** The analysis of the feedback revealed the webinar was well appreciated by the participants and suggested to arrange more such sessions.

**Coordinated by:** All India Council of Technical Education (AICTE) and Ministry of Education's Innovation cell (MIC) and Institutions Innovation Council (IIC)

In conclusion, the Impact Lecture Series 6.0 stands as a testament to the transformative power of education, collaboration, and visionary thinking in driving societal progress. It not only sparked creativity and innovation but also provided tangible pathways for participants to make lasting contributions to their communities and beyond.
