NOTICE

All students are hereby informed that the **Department of Lifelong Learning and Extension (DLLE)**, in collaboration with the **Green Club Committee**, will be organizing a "**Best out of Waste**" competition on 17th October 2023 at the Shree L. R. Tiwari Degree College Campus.

This competition aims to encourage creativity and environmental awareness by challenging participants to repurpose waste materials into artistic or functional items. Students are invited to showcase their talents by turning trash into treasure!

Key Details:

Date: 17th October 2023

Venue: Shree L. R. Tiwari Degree College Campus

Judging Criteria: Creativity, innovation, and effective use of waste materials

Prizes: Exciting prizes and certificates of achievement will be awarded to the winners

Interested students must register their participation in advance. The registration desk will be open from **13th October 2023 to 16th October 2023**. Participation is highly encouraged as this event provides an excellent platform to display your creativity and contribute to environmental sustainability.

Let's turn waste into wonders and make this event a grand success!

Event: BEST OUT OF WASTE

Date: 17th October 2023

Day: Tuesday

Venue: Shree L. R. Tiwari Degree College Campus, Mira Road (East)

REPORT ON "BEST OUT OF WASTE COMPETITION"

The Department of Lifelong Learning and Extension in Collaboration with Green Club successfully completed "Best out of Waste" Competition on 17th October 2023 at Shree L. R. Tiwari Degree Campus.

Participants showcased extraordinary creativity in repurposing waste materials into artistic masterpieces. The entries ranged from sculptures and paintings to functional items, highlighting the diverse talents of DLLE students.

An esteemed panel of judges, comprising faculty members and external experts, evaluated the entries based on criteria such as creativity, innovation, and effective use of waste materials. Winners were awarded exciting prizes, including certificates of achievement. The prize distribution ceremony added an element of celebration and recognition to the event.

The event witnessed a significant turnout, exceeding initial expectations. The variety and quality of entries showcased the depth of talent within the DLLE student community. Participants expressed satisfaction with the event, emphasizing its role in fostering creativity, teamwork, and environmental awareness. The emphasis on compulsory registration proved to be an effective strategy in ensuring a committed and organized event. Including external experts in the judging panel added credibility and diverse perspectives to the evaluation process.

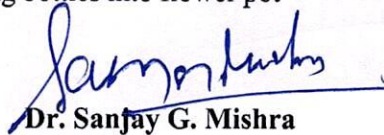

The "Best out of Waste Competition" stands as a testament to the talent and ingenuity of DLLE students. The event not only provided a platform for creative expression but also reinforced the importance of sustainable practices. The success of this competition sets a positive precedent for future events that celebrate the skills and achievements of our student body.

The winners' list is as follows:

1. First place:- Bhavik Vaity for Vikram lander and Pragyan rover
2. Second place:- Sargam kumari Singh for converting bottles into flower pot
