REPORT ON

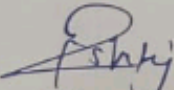

"NAVIGATING THE TECH LANDSCAPE: CRAFTING YOUR CAREER IN THE TECHNICAL FIELD"

On the 22nd of December 2023, the DLLE Committee hosted an insightful session titled "Navigating the Tech Landscape: Crafting Your Career in the Technical Field." The event featured a keynote presentation by Asst. Prof. Neha Kulkarni, who serves as the coordinator of the BScCS Department. It was attended by students, faculty, and other members interested in exploring career opportunities within the technical field.

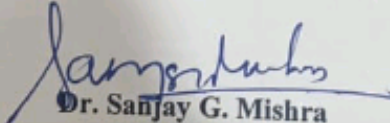

The session began with a warm welcome from the DLLE Committee, setting the stage for an engaging and informative discussion. Participants were encouraged to actively engage and ask questions throughout the event. Asst. Prof. Neha Kulkarni provided a comprehensive overview of the technical landscape, outlining the various career paths available in the field of technology. She emphasized the importance of adaptability and lifelong learning in a rapidly changing industry. Asst. Prof. Kulkarni discussed practical strategies for success in the technical field. She highlighted the value of networking, internships, and gaining hands-on experience through projects and collaborations. She also stressed the importance of soft skills, such as communication and teamwork, in complementing technical expertise.

The "Navigating the Tech Landscape" event was a resounding success, providing attendees with valuable insights into building a career in the technical field. Asst. Prof. Neha Kulkarni's expertise and guidance were instrumental in shaping the session's success. Participants left with a clearer understanding of the industry and practical strategies for achieving their career goals.

The DLLE Committee thanks all participants and looks forward to hosting more events that foster growth and development in the technical field.
