REPORT ON

"LEADERSHIP AND MANAGEMENT"

On 19 December 2023, the DLLE Committee organized an exclusive session titled "**Leadership and Management**" for DLLE Extension students who have enrolled in the Skill Development Project. The event featured a keynote presentation by Prof. Sae Sawant, a respected educator known for her expertise in leadership and management. This session was designed to help students understand key concepts in leadership and how they can be applied to manage teams and projects effectively.

The session began with a welcome from the DLLE Committee, setting the stage for a thought-provoking and educational experience. Participants were encouraged to interact and share their thoughts throughout the session. Prof. Sawant covered a range of topics related to leadership and management, focusing on their importance in various professional settings. She emphasized the need for effective communication, teamwork, and adaptability in leadership roles. Prof. Sawant also discussed different leadership styles and their impact on team dynamics. The session included interactive discussions, where attendees were invited to ask questions and share their perspectives. This allowed participants to gain deeper insights into the practical aspects of leadership and management.

The "Leadership and Management" session with Prof. Sae Sawant was a valuable opportunity for DLLE Extension students to learn about key leadership concepts and management strategies. Attendees gained practical insights and had the chance to interact with a knowledgeable resource person. The session successfully fostered a learning environment where students could explore leadership and management in depth.

The DLLE Committee extends its gratitude to all participants and looks forward to organizing more events that contribute to the personal and professional development of DLLE Extension students.
