## Report on “How to plan Star-up and Legal & Ethical Steps”

**Topic: “How to plan Star-up and Legal & Ethical Steps”**

**Date: 20th August,2024**

**Time: 10:30 Am onwards**

**Venue: Rahul Education Campus**

**Mode: Offline**

**No of Participants:32**

### Session Overview:

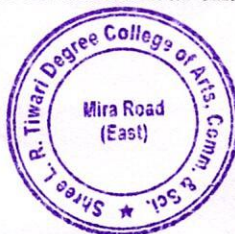

The session conducted by Mr. Anand Sir on 20<sup>th</sup> August 2024 and focused on the foundational steps necessary for planning a startup. It covered the essential aspects of startup planning, including ideation, market research, business model development, and resource allocation. The session also delved into the legal and ethical considerations that are critical for startup success, emphasizing the importance of compliance, intellectual property rights, and ethical business practices.

### Objectives:

- To understand the key steps involved in planning and launching a startup.
- To explore various legal requirements and compliance issues that startups must address.
- To discuss ethical considerations in business practices and decision-making processes.
- To learn from the experiences and insights of a successful entrepreneur.

### Outcomes:

- Participants gained a clear understanding of the startup ecosystem and the critical steps required to launch a successful venture.
- They learned about the importance of legal compliance, including business registration, taxation, and intellectual property protection.
- Participants were made aware of the ethical challenges that startups may face and how to address them proactively.

- The session provided practical insights and strategies that participants can apply in their entrepreneurial journeys, guided by the experiences of Mr. Anand Sir.
