Introduction

An E-Awareness Workshop was conducted by SWAYAM NPTEL in collaboration with Shree L. R. Tiwari Degree College of Arts, Commerce, and Science, Mumbai, and SIES College of Arts, Science, and Commerce (Nerul). The workshop aimed to introduce faculty members and students to National Programme on Technology Enhanced Learning (NPTEL) and its various initiatives.

The session was open to all students and faculty members, with mandatory attendance for students. The event was conducted online through YouTube Live, allowing widespread accessibility and participation.

Workshop Highlights

The workshop began with an introduction to SWAYAM NPTEL, its objectives, and the significance of online education in today's academic and professional landscape. The speakers provided detailed insights into various NPTEL initiatives and how faculty members and students can benefit from enrolling in certification courses.

Key areas covered during the session included:

- **Understanding NPTEL:** Its role in providing free and accessible online education.
- **Online Certification Courses:** Benefits, structure, and how these courses enhance knowledge and employability.
- **NPTEL Local Chapters:** Their significance, registration process, and how colleges can establish and manage them effectively.
- **E-Certification Process:** Faculty members attending the session were eligible to receive an **E-Certificate**.

The session was interactive, with opportunities for faculty and students to clarify their doubts regarding course selection, certification exams, and NPTEL's impact on career prospects.

Outcome:

- The event successfully raised maximum awareness among faculty members about NPTEL and its various initiatives.
- Participants were familiarized with NPTEL's resources and the benefits of online learning in enhancing both academic and professional skills.
- In-depth discussions were held on NPTEL's features, including the NPTEL Online Certification courses and the concept of NPTEL Local Chapters, ensuring a comprehensive understanding of how these initiatives can be leveraged to improve educational outcomes.

Conclusion

The E-Awareness Workshop on SWAYAM NPTEL proved to be a valuable initiative in promoting online education and professional skill development. The session successfully highlighted the benefits of NPTEL, encouraging both faculty members and students to explore and enroll in certification courses for continuous learning.

With the growing significance of digital learning platforms, such workshops play a crucial role in empowering students and educators with resources that enhance academic and professional growth. The event concluded on a positive note, with encouragement for active participation in NPTEL's initiatives for long-term learning benefits.
