### **Introduction:**

The Research, Innovation, Incubation & IPR Cell of Shree L.R. Tiwari Degree College, in collaboration with the Institution's Innovation Council (IIC), successfully organized a workshop on "Entrepreneur as a Career Opportunity" on 20th February 2025. The session aimed to inspire and educate students about the prospects of entrepreneurship, providing them with valuable insights from industry leaders.

The event commenced at 11:00 AM at the college campus, featuring a distinguished speaker, **Mr. Gopi Devecha**, Founder and CEO of Airdrop Bounty Events. His extensive experience in the field of entrepreneurship and innovation made him the ideal mentor for the session.

**Objectives:**

- **Promote Entrepreneurial Mindset:** To encourage students to consider entrepreneurship as a viable and rewarding career path.
- **Industry Insights:** To provide real-world knowledge on starting and scaling a business from an industry expert.
- **Skill Development:** To help students develop the necessary skills and mindset required for entrepreneurship.
- **Networking Opportunities:** To offer students the chance to interact with an experienced entrepreneur and gain practical guidance.

**Outcome:**

The workshop was highly interactive and informative, offering students a deeper understanding of entrepreneurship as a career option. Key highlights of the event included:

- **Inspiring Session:** Mr. Gopi Devecha shared his journey as an entrepreneur, discussing the challenges and successes he faced in his career.
- **Practical Knowledge:** The session covered essential aspects such as startup funding, idea validation, market research, and business growth strategies.
- **Engaging Q&A:** Students actively participated in discussions, asking questions about real-world business scenarios and seeking guidance on their entrepreneurial aspirations.
- **Motivation for Future Entrepreneurs:** The workshop successfully ignited interest among students, encouraging them to explore innovative business ideas and take the first steps toward entrepreneurship.

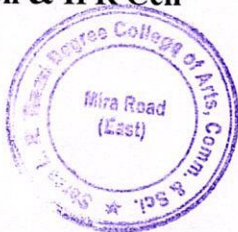

In conclusion, the workshop on "*Entrepreneur as a Career Opportunity*" proved to be a highly enriching experience for all attendees. It provided valuable learning opportunities, industry exposure, and motivation for students aspiring to build their own ventures. The event successfully met its objectives of fostering an entrepreneurial mindset and equipping students with knowledge and confidence to pursue their business aspirations.

Resource Person: Mr. Gopi Devecha

CEO, synergy global enterprises

Time: 11:00 Am onwards

Mode: Online

### Q. 1 How would you rate the diversity and expertise of the Speaker person?

How would you rate the diversity and expertise of the Speaker person ?

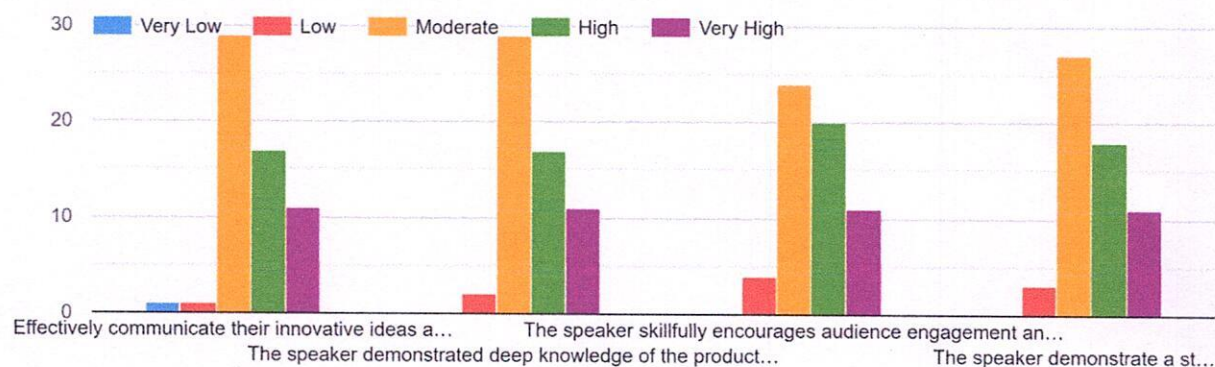

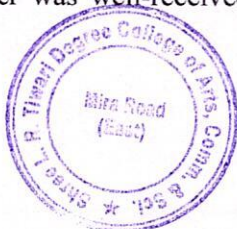

Figure: 1.1

**Inferences:** The bar chart illustrates participants' ratings of the speaker's diversity and expertise during the session on "Workshop on Entrepreneur as a Career Opportunity." The majority of responses fall under the "Moderate" and "High" categories across different aspects, such as effective communication of innovative ideas, audience engagement, deep product knowledge, and structured delivery. A significant portion rated the speaker as "Very High," indicating strong expertise and impactful presentation skills. Only a small percentage marked "Very Low" or "Low," suggesting that most attendees found the speaker knowledgeable and engaging. Overall, the data reflects positive feedback, showing that the speaker was well-received and contributed effectively to the session's objectives.

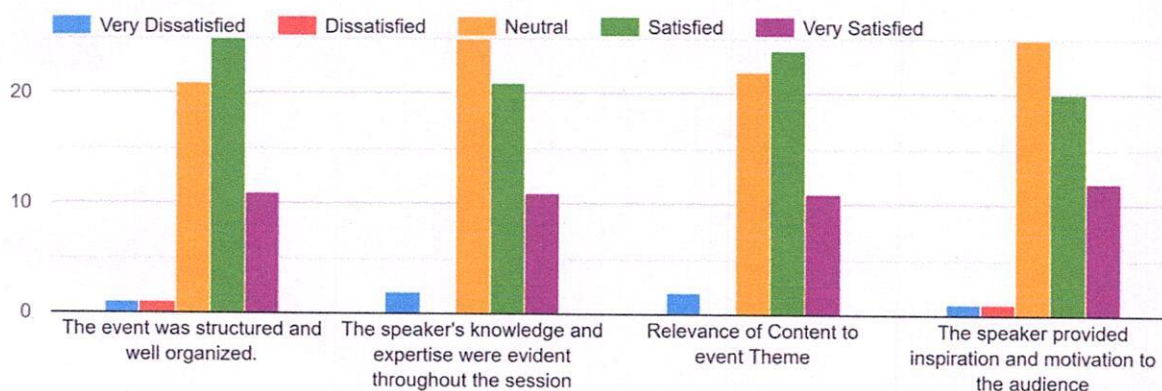

**Q.2 Please rate your satisfaction with this session.**

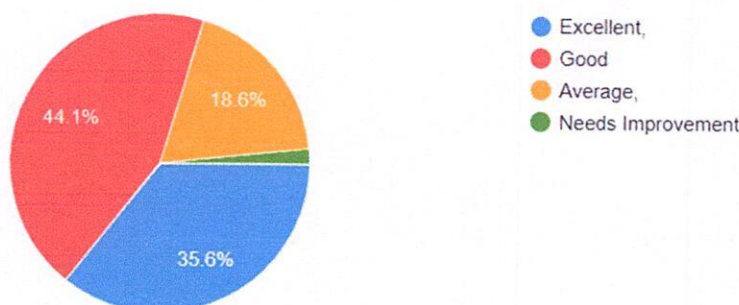

Please rate your satisfaction with this session

**Figure:1.2**

**Inferences:** The bar chart reflects participants' satisfaction with the "Workshop on Entrepreneur as a Career Opportunity." Most attendees rated the session positively, with a majority selecting "Satisfied" and "Very Satisfied" across various aspects, such as event organization, speaker expertise, content relevance, and audience inspiration. The highest satisfaction was recorded for the event's structure and relevance to the theme, while a smaller but notable portion remained neutral. Very few participants expressed dissatisfaction. Overall, the session was well-received, demonstrating effective organization, relevant content, and an engaging speaker who motivated the audience.

**Q. 3 How would you rate your overall experience at the session?**

**Figure:1.3**

**Inferences:** The pie chart illustrates participants' overall experience at the session, with the majority rating it positively. "Good" received the highest percentage (44.1%), followed by "Excellent" at 35.6%, indicating that most attendees found the session valuable. A smaller portion (18.6%) rated it as "Average," while only a minimal percentage felt it "Needs Improvement." These results suggest that the session was well-received, with a significant number of participants finding it engaging and insightful, while some saw areas for potential enhancement.

### Q.4 How relevant and useful was the information provided in the session?

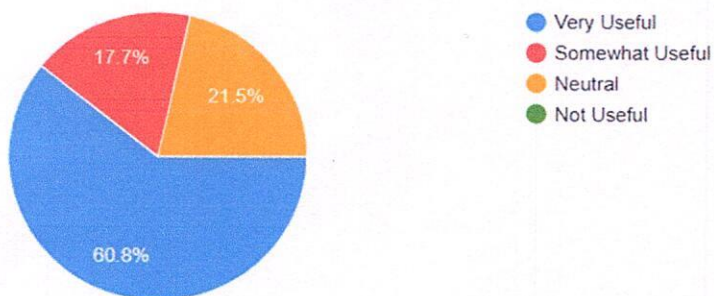

Figure: 1.4

**Inferences:** The pie chart presents the participants' assessment of the relevance and usefulness of the information provided in the session. A significant majority (60.8%) rated the information as "Very Useful," indicating that the session effectively delivered valuable insights. Additionally, 17.7% found it "Somewhat Useful," while 21.5% remained "Neutral," suggesting that the session was informative but may have varied in impact based on individual expectations. Notably, there is no visible representation of the "Not Useful" category, implying that most attendees recognized the session's value. Overall, the data reflects a largely positive reception, with room for slight improvements to enhance engagement for all participants.

### Q.5 "Has this session The "Workshop on Critical Thinking, Design Thinking, Innovation Design "motivated you to consider these fields more seriously for your future endeavours

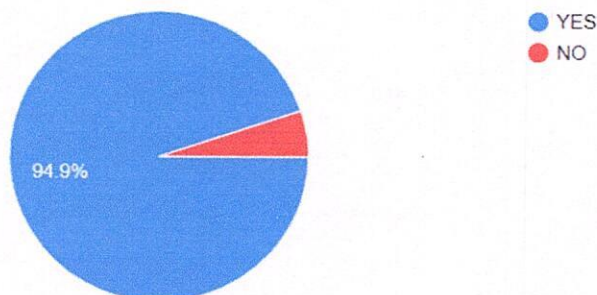

Figure: 1.5

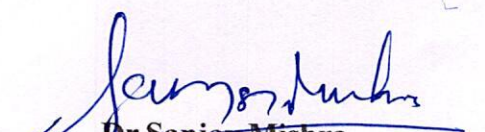

**Inferences:** The pie chart illustrates participants' responses regarding whether the "Workshop on Critical Thinking, Design Thinking, Innovation Design" motivated them to consider these fields more seriously for their future endeavours. An overwhelming majority, 94.9%, responded "YES," indicating that the session was highly impactful and successfully inspired attendees to explore these areas further. A very small percentage responded "NO," suggesting that only a few participants did not find the session as motivating. Overall, the data reflects a strong positive influence of the workshop, emphasizing its effectiveness in encouraging interest and engagement in critical and design thinking, as well as innovation design.
