NOTICE

The Department of B.Sc. Data Science, in collaboration with **Edept**, is thrilled to announce:

THE edept QUEST – *Join the Ultimate Treasure Hunt!*
An exclusive event for B.Sc. Data Science students involving an engaging treasure hunt that encourages critical thinking, collaboration, and fun.

Date: 27th January, Monday
Time: 12:30 P.M. – 01:30 P.M.
Venue: Open area in front of the new building

Objective
- To foster analytical thinking and problem-solving abilities among students.
- To encourage collaboration and effective team communication.
- To engage students in a fun-filled, intellectually stimulating activity.

Expected Outcome
- Students will enhance their logical reasoning and teamwork skills.
- Participants will apply data science thinking in real-time problem-solving scenarios.
- Students will develop quick decision-making abilities under time constraints.
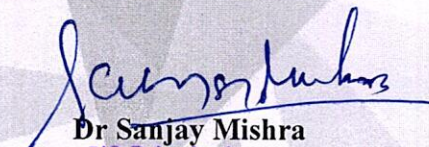

Program Outcome
- Improved collaborative and leadership skills through group-based tasks.
- Better understanding of strategic planning and execution.
- Motivation to participate in co-curricular and skill-enhancing activities.

Report

. "Treasure Hunt – Engaging Data Science Students through Experiential Learning"

Title: The edept Quest
Date: 27th Jan, 2025
Time: 12:30 pm
Venue: SLRTDC Campus
Organized by: *edept* in collaboration with Shree L.R. Tiwari Degree College
Target Audience: FY/SY/TY B.Sc. Data Science Students

Objective of the Event

As part of *edept*'s ongoing mission to bridge industry skills with student engagement, the Treasure Hunt was designed to infuse excitement into learning. The objective was to promote collaboration, critical thinking, and on-the-go problem-solving among B.Sc. Data Science students, while also building a deeper connection with the student community through experiential learning formats.

Key Highlights
Participation & Energy
- 33 student teams participated enthusiastically, with each team comprising 2–3 members
- The activity was exclusively for the B.Sc. Data Science cohort at SLRTDC
- Students competed in a race to decode clues, crack logic-based challenges, and navigate the campus trail

## Structure of the Hunt
- The hunt involved multiple checkpoints, each revealing a clue that led to the next location
- Clues were a mix of analytical puzzles and observational riddles, encouraging students to apply logic and teamwork
- The final leg tested speed, accuracy, and mental stamina

Winners
First Prize (Winner from S.Y.B.Sc.D.S.)
- Dhina Chelliah
- Rushikesh Salunke
- Padmavati Gond

Winners were awarded certificates and Amazon vouchers worth 3000 INR, 1500 INR & 1000 INR by the *edept* team.

Student Feedback

Students shared that the event was "surprisingly challenging yet super fun," with many appreciating the blend of mystery and strategy. Several teams expressed interest in participating in more such events hosted by edept in the future.

Outcome of the Event

The Treasure Hunt achieved its goal of offering students an engaging, hands-on experience outside the classroom. It gave students a chance to collaborate, communicate, and compete in an intellectually charged setting—all of which are key traits in both the data science field and broader career landscapes.

Acknowledgment

We extend our sincere thanks to:

- The Department of B.Sc. Data Science at SLRTDC
- Faculty coordinators for logistical support
- All the participating students for their sportsmanship and energy

Conclusion

This Treasure Hunt stands as a successful example of how *edept* integrates skill-building with engagement. Through creative and interactive experiences like this, we aim to empower students not just academically, but also socially and professionally.
