## NOTICE

### Career Guidance Session on Master's Program in Data Science

The Department of Data Science is pleased to announce a **Career Guidance Session** in collaboration with **Edept** (Industry Partner), scheduled as follows:

**Date:** 8<sup>th</sup> March 2025 (Saturday)

**Time:** 9:00 a.m. – 10:00 a.m.

**Venue:** Seminar Hall, 5th Floor, SLRTDC Campus

**Target Audience:** T.Y.B.Sc.D.S. Students

### Objective of the Session:

- To provide guidance on pursuing a Master's Degree in Data Science.
- To create awareness about current trends in Data Science, including AI, Machine Learning, and Big Data.
- To inform students about industry expectations and placement preparation strategies.

### Expected Outcomes:

- Students will gain a clear understanding of the scope and benefits of higher studies in Data Science.
- They will learn about placement opportunities and how to align their skills with industry demands.
- Students will be able to make informed decisions about their academic and career paths.

### Program Outcomes:

- Enhance students' knowledge about global academic and career opportunities in the Data Science domain.
- Encourage professional development and industry readiness.
- Build student confidence to participate in upcoming placement drives and pursue advanced education.

## Report

### “Career Guidance Session – Master’s Program in Data Science”

**Title:** Career Guidance Session – Master’s Program in Data Science

**Date:** 8<sup>th</sup> March 2025

**Time:** 9:00 A.M. – 10:00 A.M.

**Venue:** Seminar Hall, 5th Floor, SLRTDC Campus

**Organized by:** B.Sc. Data Science Department in collaboration with Edept (Industry Partner)

**Target Audience:** TYBScDS Students

#### Objective of the Event:

The Career Guidance Session was organized with the aim to inform and guide TYBScDS students about higher education opportunities, particularly focusing on the Master’s Program in Data Science, along with career prospects and placement opportunities in the field.

#### Key Highlights:

- **Opening Address:**

Dr. Sanjay Mishra, I/C Principal, SLRTDC, inaugurated the session with an insightful speech, highlighting student achievements, placement readiness, and newly introduced academic programs under Rahul Education. He encouraged students to remain focused and motivated as they approach their final semester examinations.

- **Expert Session by Ms. Reema Limbad (VP – Career Services, Edept):**

Ms. Limbad delivered a comprehensive session that included:

- The relevance and scope of pursuing a Master’s degree in Data Science.
- An overview of the curriculum and its emphasis on AI, ML, and Big Data.
- Global career opportunities and how students can align their academic goals.
- Guidance on ongoing and upcoming placement drives, interview preparation, and industry expectations.

- **Interactive Engagement:**

The session encouraged active participation from students who engaged in Q&A rounds, seeking clarity on career paths, application procedures, and skill-building strategies.

#### Feedback & Testimonials:

- Students described the session as highly informative and relevant to their career goals.
- Parents appreciated the institution's initiative in providing career-focused guidance and fostering industry connections.

## Outcome of the Event:

The session successfully achieved its objective by equipping students with valuable knowledge regarding postgraduate options and professional opportunities in Data Science. It also reinforced the institution's commitment to student success beyond academics.

## Acknowledgment:

We thank the following contributors for making the event a success:

- **Dr. Sanjay Mishra** – I/C Principal, SLRTDC
- **Ms. Reema Limbad** – VP, Career Services, Edept
- Faculty members and event coordinators
- Participating students and parents

## Conclusion:

The Career Guidance Session was a well-received and impactful initiative that motivated students to explore advanced academic paths and prepare strategically for their careers. The event marked another step toward SLRTDC's mission of holistic student development.

## Interpretation:

**Total Responses: 16**

**Parameters Evaluated (6 statements, Likert scale):**

1. Overall satisfaction
2. Content relevance
3. Clarity of explanation
4. Engagement during session
5. Relevance to Data Science
6. Professionalism of speaker

Each rated as:

**Strongly Agree, Agree, Neutral, Disagree, Strongly Disagree**

(No "Disagree" or "Strongly Disagree" was recorded)

## Quantitative Summary:

Parameter	Strongly Agree	Agree	Neutral
1. Overall satisfaction	7	6	3
2. Content relevance	5	7	4
3. Clarity of explanation	6	5	5
4. Engagement during session	6	6	4
5. Relevance to Data Science	7	6	3
6. Professionalism of speaker	7	7	2

## Highlights:

- **Strongest Areas:**
  - **Professionalism of speaker** (14 positive responses; only 2 neutral)
  - **Relevance to Data Science** and **Overall satisfaction** had the most "Strongly Agree" ratings.
- **Areas to Consider Improving:**
  - **Clarity of explanation** and **Engagement during session** showed slightly more neutral responses (5 and 4 respectively), indicating potential areas for enhancement in communication style or presentation delivery.

## Student Comments Summary:

- **Positive Remarks:**
  - "Informative session" (Hamza Shaikh)
  - "No" or "NA" noted by a few, indicating no negative feedback
- **No major negative comments** were received.

## Conclusion:

The feedback from TY BSc DS students is largely **positive**, with a strong endorsement of speaker professionalism and session relevance. A small proportion of students expressed neutrality, suggesting a moderate scope for increasing engagement or improving clarity.
