Report on - "Prototype / Process Design Development" Workshop

Topic: Prototype / Process Design Development
Speaker: Mr. Bankim Mistry, Member of Scrutiny Committee of Industrial Awards at District &
National Level
Participants: Male – 45, Female – 82, Total -127
Time: 12:30 pm to 1:30 pm
Venue: Seminar Hall, Shree L. R. Tiwari Degree College Campus

Introduction:

On 4th August 2025, the Institution's Innovation Council (IIC) and Research and Development
Cell of Shree L. R. Tiwari Degree College, in collaboration with the Departments of B.Com
(Management Studies) & B.com (Banking & Insurance), organized an insightful workshop on
"Prototype / Process Design Development". The session was conducted by Mr. Bankim Mistry, a
renowned professional and Member of the Scrutiny Committee of Industrial Awards at both
district and national levels.

The workshop was aimed at introducing students to the practical aspects of transforming
innovative ideas into tangible prototypes and designing efficient processes in line with industrial
requirements. It also emphasized the role of creativity, systematic planning, and evaluation criteria
in achieving excellence in innovation projects.

Objectives of the Session:

1. To familiarize participants with the concepts, stages, and best practices in prototype
   development.

2. To impart knowledge on effective process design and optimization techniques.

3. To bridge the gap between innovative ideas and practical, industry-compliant execution.

4. To encourage students to participate in innovation competitions and industrial award
   platforms.

Outcome of the Session:

1. Participants gained a clear understanding of prototype development cycles, from ideation
   to final testing.

2. Students learned how to structure and document processes for efficiency, quality, and
   scalability.

3. The session inspired innovative thinking aligned with industry evaluation standards.

4. Faculty and students were motivated to actively engage in institutional innovation projects
   and national-level competitions.

To,

Mr. Bankim Dhansukhlal Mistry
President, Bombay Small Scale Industries Association / Member, Scrutiny Committee of
Industrial Awards(District & National Level)

**Subject: Invitation as Resource Person for Workshop on Prototype/Design
Development**

Dear Sir,

Warm greetings from Shree L. R. Tiwari Degree College of Arts, Commerce and Science.
It is our pleasure to cordially invite you as a distinguished speaker for the **Workshop on
Prototype/Design Development**, organized under the aegis of our Institution Innovation
Council (IIC).
Your extensive experience in the field of industrial development and your esteemed position
as the President of Bombay Small Scale Industries Association and Member of the Scrutiny
Committee for Industrial Awards at both District and National levels makes you an ideal
expert to address this workshop.
Your insights and practical guidance will be of immense value to our students, faculty, and
budding innovators who seek to understand the importance of design thinking and prototype
development in today's industrial landscape.

The details of the workshop are as follows:
**Date:** 4th August 2025
Time: 11.30 AM
Venue: Seminar Hall, SLRTDC Campus

We would be honoured by your gracious presence and invaluable contribution to the
workshop. Kindly confirm your availability at your earliest convenience.
Thank you for considering our invitation. We eagerly look forward to welcoming you.

Warm regards,

LETTER OF APPRECIATION

Mr. Bankim Dhansukhlal Mistry
President
Bombay small scale Industries Association and
Member of Scrutiny Committee of Industrial Awards
District & National Level

We extend our sincere appreciation for your invaluable contribution to the **Workshop on Prototype/Design Development**, conducted on **4th August 2025** at the SLRTDC Campus.

Your esteemed presence and expert insights as a **member of the Scrutiny Committee of Industrial Awards** at both the District and National Levels added immense value to the workshop. Your guidance helped participants understand the critical aspects of industrial design evaluation, innovation scalability, and prototype validation.

Your commitment to fostering innovation and your encouragement of creative thinking greatly enriched the learning experience of our students, faculty members, and budding innovators. The workshop has left a profound impact on all attendees, inspiring them to pursue excellence in innovation and design.

We are privileged to have had your presence and look forward to future opportunities for collaboration that will further enhance our innovation ecosystem.

Once again, we express our heartfelt gratitude for your time, efforts, and distinguished contribution.

Warm regards,
