## Orientation Programme for B.Sc. Computer Science Department

### Report on Orientation Programme – B.Sc. Computer Science Department

**Date:** 12th June 2025

**Venue:** Seminar Hall, Shree L.R. Tiwari Degree College

**Conducted By:** Asst. Prof. Neha Kulkarni, Coordinator – B.Sc. CS Department

#### 1. About the Programme and Eligibility

The B.Sc. in Computer Science is a three-year undergraduate degree programme offered under the University of Mumbai. It is designed to equip students with a strong foundation in computing, programming, and IT-based problem-solving. Eligibility for the programme includes successful completion of HSC (10+2) or equivalent examination with Mathematics as one of the subjects.

#### 2. Semester-wise Subjects and Credits

The curriculum is divided across six semesters with a balanced combination of theory and practical components. Key areas covered include Programming, Data Structures, Operating Systems, Database Management Systems, Web Technologies, Software Engineering, Data Science, Artificial Intelligence, and Cybersecurity. Each course carries a specific number of credits as per the university norms.

#### 3. About the Faculties

The department comprises highly qualified and experienced faculty members with specialization in various domains like Artificial Intelligence, Networks, Programming, Software Development, and Data Analytics. The team is dedicated to student mentoring, research guidance, and continuous academic support.

#### 4. Programme Outcomes (POs) and Course Outcomes (COs)

The orientation of course outcome and program outcome explained to students

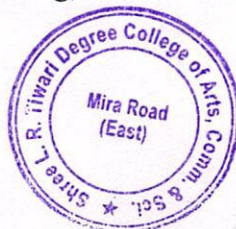

#### 5. Examination and Evaluation Pattern

The evaluation comprises Internal Assessment (25%) and Semester-End Examination (75%) conducted by the University. Internal assessment includes class tests, assignments, presentations, and project-based evaluations. Continuous monitoring and feedback mechanisms ensure academic progression.

#### 6. Innovative Learning & Co-Curricular Activities

Students are encouraged to participate in:

- Add-on courses (e.g., Python Programming, AI & ML, Green Computing)
- Project-based learning
- Coding competitions, hackathons, and tech fests
- Digital poster making, blind coding, and web designing contests

## 7. Activities Conducted by the Department

The department actively conducts various academic and developmental initiatives:

- **Seminars & Webinars** by industry professionals
- **Workshops** on Android App Development, Ethical Hacking, and Data Science
- **Events** like "Technova" – a 2-day annual intercollegiate tech fest
- **Faculty Development Programmes** to ensure continuous faculty upskilling

## 8. Experiential Learning / Industrial Visits

Students are taken for industrial visits to IT companies, innovation labs, and exhibitions to understand real-world IT environments. Visits to **Mira-Bhayandar Police Cyber Cell** for exposure to cybersecurity operations have been notable highlights.

## 9. Students' Participation and Achievements

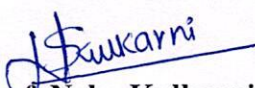

Our students have actively participated and won accolades in intercollegiate competitions, coding marathons, Avishkar Research Convention, and technical paper presentations. Internship opportunities with police cyber cells, IT companies, and NGOs have enriched their practical knowledge.

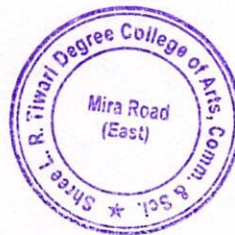

## 10. Notable Alumni and Their Contribution

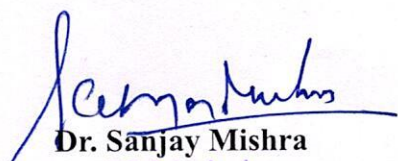

Several alumni are placed in reputed IT firms like TCS, Infosys, Wipro, and Capgemini. A few have ventured into entrepreneurship and regularly mentor current students. Alumni also contribute as guest speakers and evaluators for project presentations.

### Conclusion:

The orientation session aimed to familiarize students and parents with the structure, academic framework, and opportunities offered by the B.Sc. CS programme. It was well-received and concluded with an interactive Q&A session where doubts were clarified and expectations were set for a productive academic journey.
