Date: 20th September 2024**Report****Event Name:** Tree Plantation Drive in collaboration with IDBI Bank**Organized By:** NSS Unit, Shree L.R. Tiwari Degree College**Venue:** College Campus**Date:** 20th September, 2024

Overview: The National Service Scheme (NSS) unit had invited all students and faculty to participate in the Tree Plantation Drive. This event had aimed to promote environmental sustainability and community involvement through active participation in tree planting activities. Students and faculty had come together to contribute towards creating a greener and healthier environment.

Objectives

- Contribute to increasing green cover and combating climate change by planting trees.
- Support local ecosystems and wildlife habitats through the planting of diverse native species.
- Educate participants about the importance of trees in maintaining ecological balance and providing ecosystem services.
- Improve the aesthetic appeal of the campus or locality by enhancing green spaces through tree planting.

Outcome:

- Enhanced green cover and a positive contribution towards combating climate change through increased tree plantation.
- Strengthened local ecosystems and biodiversity by supporting wildlife habitats with diverse native species.
- Increased awareness among participants about the ecological importance of trees and their role in maintaining balance while beautifying the campus or locality.
