## REPORT ON RESEARCH PROJECT BOOK GUIDANCE SESSION

**Place:** New Building, Room No. 306, Shree L. R. Tiwari Degree College

**Date of Session:** 06th March, 2026

**Time:** 09:00 AM – 10:00 AM

**Venue:** Room No. 306, New Building

**Department:** BBI Department

A **Research Project Book Guidance Session** was organized by for the students of **Second Year and Third Year B.Com (Banking & Insurance)**. The session aimed to provide academic guidance to students regarding the **preparation, structure, and submission of the research project book** as prescribed under the University of Mumbai curriculum. Faculty members explained the significance of research methodology, topic selection, and proper academic documentation in project preparation.

Students were also guided regarding the **standard structure of a research project**, including introduction, objectives, research methodology, data analysis, findings, conclusions, and bibliography. The session helped students understand the importance of maintaining **academic integrity, proper referencing, and plagiarism-free research work**.

### Objective of the Session

The primary objectives of the session were:

- To guide students in the **selection of appropriate research topics** related to banking and financial services.
- To explain the **structure and format of the research project book** as per university guidelines.
- To develop students' understanding of **research methodology and data collection techniques**.
- To create awareness regarding **proper referencing methods and plagiarism prevention** in academic research.

### Learning Outcomes

- The session enabled students to:
- Understand the **importance of systematic research and academic writing**.
- Gain clarity on the **format and documentation of the research project report**.
- Develop analytical skills in **data collection and interpretation**. Enhance their **research orientation and academic presentation skills**.

The guidance session proved to be **informative and beneficial**, helping students prepare their research projects in a structured and academically appropriate manner. The session successfully fulfilled its objective of enhancing students' research understanding and project preparation skills.

## Report: Research Project Guidance Session - Feedback Analysis Department of BBI

**Place:** New Building, Room No. 306, Shree L. R. Tiwari Degree College

**Date of Session:** 06th March, 2026

**Time:** 09:00 AM – 10:00 AM

**Venue:** Room No. 306, New Building

**Department:** BBI Department

### Introduction

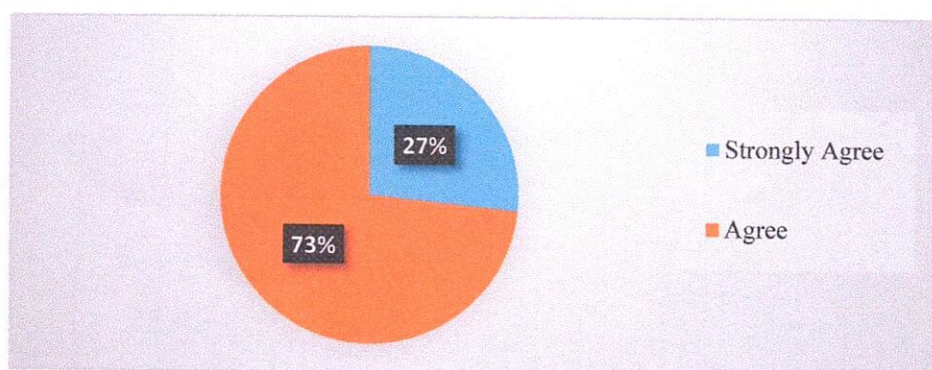

The Department of BBI organized a **Research Project Guidance Session** for students to guide them regarding the preparation of their research project book.

To evaluate the effectiveness of the session, a **feedback form** was circulated through **Google Form** and responses were collected from the students.

Total Responses Received: **30**

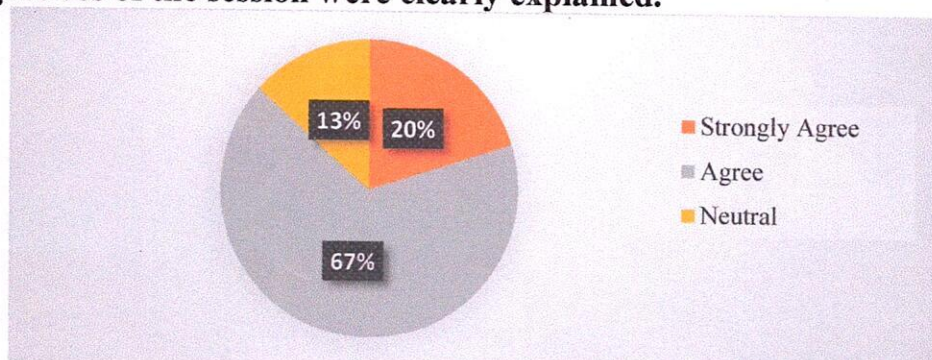

### Analysis of Feedback

#### 1. The Research Project Guidance Session was well organized.

The responses clearly indicate a high level of satisfaction regarding the organization of the session, with an overwhelming majority of students expressing positive agreement. This reflects effective planning and smooth execution of the session.

#### 2. The objectives of the session were clearly explained.

The findings suggest that the objectives of the session were communicated effectively, as most students demonstrated clear understanding, indicating clarity in presentation and structured delivery.

### 3. The coordinator explained the research project guidelines clearly.

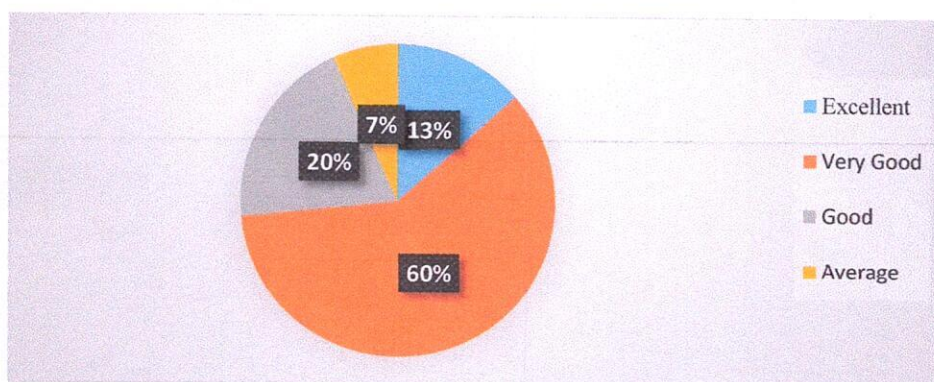

The feedback highlights that the coordinator successfully conveyed the research project guidelines in a clear and comprehensible manner, ensuring that students were able to grasp the essential requirements of the project.

### 4. The session helped students understand the project format and requirements.

The responses strongly reflect that the session was highly effective in enhancing students' understanding of the project format and requirements, demonstrating its practical usefulness and relevance.

### 5. The duration of the session was sufficient.

The majority of students expressed satisfaction with the duration of the session, indicating that the time allocated was appropriate and sufficient for covering the required content.

**6. Were your doubts clarified during the session?**

A significant proportion of students confirmed that their queries and doubts were effectively addressed, reflecting the interactive nature of the session and the responsiveness of the facilitator.

**7. Overall effectiveness of the session**

The overall effectiveness of the session has been rated positively by the majority, indicating that the session was well-received and achieved its intended learning outcomes.

## 8. Confidence about completing the research project

The responses indicate that the session successfully instilled confidence among students regarding the completion of their research project, highlighting its impact on student preparedness.

### Suggestions from Students

Some students suggested:

- Sessions should be **more interactive**.
- More **detailed explanations and discussions** can be included.
- Overall feedback indicated that the session was **very useful and informative**.

### Conclusion

The feedback analysis indicates that the **Research Project Guidance Session was effective and beneficial for students**.

Most students were satisfied with the organization, clarity of guidelines, and overall effectiveness of the session. The session helped students gain confidence in preparing their research project.
