Introduction:

The Green Campus Committee of Shree L. R. Tiwari Degree College, in collaboration with the N.S.S. Unit and DLLE, organized Green Campus Day Celebration on 10th July 2025. The initiative aimed to spread awareness about environmental sustainability, responsible waste management, and the importance of greenery in institutional premises. The event included activities that encouraged student engagement and environmental stewardship.

Objectives of the Program

- To raise awareness about environmental conservation and sustainable living.
- To promote student participation in eco-friendly activities like tree plantation and poster exhibitions.
- To develop a sense of responsibility in students toward maintaining a clean and green campus environment.

Session Highlights

- **Tree Plantation Drive:** Students actively participated in the plantation activity by bringing flower or fruit saplings. The plantation drive was held from 8:00 AM to 9:00 AM, symbolizing their contribution toward a greener campus.
- **Poster Making Competition:** Held from 9:00 AM to 10:00 AM, this event had two categories – Digital Posters and Handmade Posters. The theme was “Green Environment”. Creative entries from students reflected their concern for environmental issues and innovative solutions for sustainability.
- **Awareness Campaign:** Faculty and coordinators addressed the gathering and highlighted the importance of eco-conscious behaviour in everyday life.

Outcome of the Program

- Students understood the importance of sustainable practices like planting trees and managing waste.
- They gained awareness about their role in protecting the environment.
- Enthusiastic participation in both poster making and plantation activities fostered teamwork and a shared sense of environmental duty.
- All participants received E-Certificates as a token of appreciation. Separate winners were announced for the Digital and Handmade poster categories.

Conclusion

The Green Campus Day was a successful initiative that resonated well with the students and faculty. It fostered environmental responsibility and inspired the college community to adopt a greener lifestyle. Events like these contribute to a more sustainable future and instill eco-conscious values in the younger generation.
