REPORT ON ORIENTATION PROGRAM WITH JETKING

Organized by: Training and Placement Cell
Shree L. R. Tiwari Degree College of Arts, Commerce & Science, Mira Road (East)
Academic Year: 2025-2026

Introduction

The Training and Placement Cell of Shree L. R. Tiwari Degree College of Arts, Commerce & Science organized an Orientation Program in collaboration with Jetking for Commerce and Science students. The program aimed to create awareness about emerging career opportunities in the Information Technology sector and to equip students with knowledge of industry-relevant skills required for employability.

Jetking, a well-known institute in IT training, provides skill-based education in domains such as Hardware, Networking, Cloud Computing, Cyber Security, and Artificial Intelligence, helping students align with current industry demands.

Program Details

Particulars	Details
Dates	18th February 2026
Time	8:00 a.m. – 10:00 a.m.
Venue	Room 201 NB & Room 505
Organizer	Training and Placement Cell

Objectives of the Program

The primary objectives of the IBM Skills Build training were:

- To provide an overview of emerging career opportunities in the IT sector
- To introduce students to industry-relevant skills such as Hardware, Networking, Cloud Computing, Cyber Security, and Artificial Intelligence
- To create awareness about practical training programs and professional certifications
- To guide students in enhancing employability through skill development initiatives offered by Jetking

Program Highlights

The training session included interactive learning modules, mentor-led discussions, and hands-on exercises. Key components included:

- Introduction to various career opportunities in the IT industry
- Overview of skill-based training programs and certifications

- Insights into current industry trends and job requirements
- Guidance on enhancing employability through practical knowledge and technical skills
- Interactive session addressing student queries and career concerns

Key Learning Outcomes

At the end of the program, students gained:

Awareness of IT Career Opportunities

- Understanding of diverse career paths in the IT sector

Industry-Relevant Skills Knowledge

- Exposure to key domains such as Hardware, Networking, Cloud Computing, Cyber Security, and AI

Career Clarity

- Better understanding of required skills and certifications for different job roles

Motivation for Skill Development

- Increased interest in enrolling in professional training programs

Participation

The program witnessed active participation from students of Commerce and Science streams. Students were attentive and actively engaged during the session.

Total Participation: 184

Male: 105

Female: 79

Overall, the response from students was positive, and the session was found to be informative and beneficial.

Conclusion

The Orientation Program with Jetking was successfully conducted and achieved its intended objectives. It helped students gain valuable insights into the IT industry and motivated them to enhance their skills for better career opportunities. The Training and Placement Cell will continue to organize such programs to support students in their professional growth and career readiness.
