

Training and Placement Annual Report for the A.Y. 2025 - 26

Introduction

The Training and Placement Cell of Shree L. R. Tiwari Degree College of Arts, Commerce and Science, Mira Road (East), actively organized a series of career-oriented programs during the Academic Year 2025–26. These initiatives were designed to bridge the gap between academic learning and industry expectations by providing students with exposure to real-world practices, employability skills, and placement opportunities.

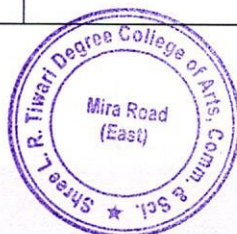

The cell collaborated with alumni, industry partners, and training organizations such as **TNS Foundation, Jetking, and IBM SkillsBuild** to conduct orientation programs, skill development sessions, placement drives, and awareness workshops. These activities aimed to enhance students' professional competencies, career readiness, and confidence to face recruitment processes effectively.

Objectives of the Events

- To provide students with industry exposure and real-world insights through expert sessions and alumni interactions.
- To enhance employability skills including communication, resume building, interview techniques, and professional networking.
- To create awareness about emerging career opportunities and industry requirements.
- To facilitate placement opportunities through collaborations with alumni and industry partners.
- To guide students in making informed career decisions and setting realistic professional goals.
- To equip students with practical knowledge and hands-on training in relevant domains.
- To strengthen the connection between students, alumni, and industry professionals.
