Report on Bridge Course on Basic Accountancy

Topic: Bridge Course on Basic Accountancy

Judges/Speaker: -

Participants: Male - 4 , Female - 1 , Total - 5

Session Overview

The course was conducted from 14th July, 2025 to 30th July, 2025, daily between 11:30 am to 12:30 pm, at the college premises (Room No. 102, Old Building). Over the course of two weeks, students were introduced to essential accounting concepts such as double-entry system, journal entries, ledger posting, trial balance, and preparation of simple financial statements. The sessions were designed to be interactive, with practical examples and problem-solving exercises that connected theory to real-life applications.

A Final Assessment Test was held on 30th July, 2025, allowing the faculty to evaluate the knowledge gained by the participants and to ensure that the learning objectives were met.

Introduction

The Bridge Course on Basic Accountancy was organized with the primary objective of supporting students who come from non-commerce backgrounds and may find it challenging to cope with accountancy-related subjects at the degree level. Recognizing the diversity of academic streams among students, the Department initiated this add-on course to build a strong foundation in the basics of accountancy. Many students enrolling in degree programs often come from diverse educational streams such as arts, science, or vocational courses, and may not have prior exposure to commerce-related subjects.

Objectives of the event:

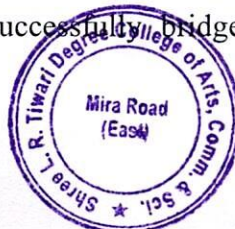

- To build a strong foundation in the fundamentals of accountancy.
- To help non-commerce students cope with core commerce subjects.
- To ensure academic readiness for the regular curriculum.

Outcomes of the event:

- Interactive sessions with practical examples.
- Focus on concepts like journal entries, ledger, trial balance and basic final accounts.
- Doubt-solving sessions and regular practice exercises.
- Certificate of completion for successful candidates.

Conclusion

The Bridge Course on Basic Accountancy proved to be highly beneficial for non-commerce background students, as it helped them overcome initial difficulties in understanding core concepts of accountancy. Overall, the course successfully bridged the knowledge gap, enhanced the
