Date: 29th July, 2025

NOTICE

(National Service Scheme NSS Unit)

This is to inform all students that, as part of our eco-friendly initiative **"Say No to Plastic, Yes to the Planet!"**, a **Paper Bag Making Activity** will be held in our college under UN SDG Goal No. 11 – Sustainable Cities and Communities to promote eco-friendly alternatives and reduce plastic use.

Date: 31st July 2025

Time: 11: 30 AM

Venue: 103, Old Building

Activity Guidelines:

- Each student must make 10 paper bags using old newspapers.
- Bring your own materials (newspapers, glue, scissors, etc.).
- Attendance is mandatory for all NSS Volunteers.

Participation Benefits:

- Volunteer hours for NSS Volunteers.
- 5 Internal Assessment marks for NSS CC Students.
- Eligible students will receive both upon successful participation.

Objectives:

- To raise awareness about the harmful effects of plastic on the environment.
- To promote the use of sustainable alternatives through hands-on paper bag making.
- To encourage student participation in eco-friendly community initiatives.

Report

Topic: Say No to Plastic, Yes to the Planet

Participants: Male – 58 , Female – 42 , Total – 100

Venue: Room 103, Old Building

Time: 11:00 AM

Organized by: NSS Unit

Introduction and Event Overview:

In line with the vision of building a cleaner, greener, and more sustainable future, the NSS Unit of Shree L. R. Tiwari Degree College organized the activity *"Say No to Plastic, Yes to the Planet"* on 31st July 2025 at 11:00 AM in Room 103, Old Building. The initiative was aligned with the United Nations Sustainable Development Goal No. 11 – Sustainable Cities and Communities.

The event served as a platform to spread awareness among the student community about the negative impact of plastic waste on our environment. All participating students were tasked with making ten paper bags each, thereby contributing directly to reducing plastic usage.

The programme commenced with a brief address by the NSS Programme Officer, Asst. Prof. Rambhavan Yadav, who highlighted the urgent need to replace plastic products with eco-friendly alternatives. He further explained how small, consistent actions at an individual level could make a significant collective impact.

Objectives of the Event:

- Promote Sustainable Practices – Encourage the use of eco-friendly alternatives like paper bags to reduce plastic waste.
- Raise Environmental Awareness – Educate students about the harmful effects of plastic on the environment and communities.
- Support UN SDG Goal 11 – Contribute to creating sustainable cities and communities through responsible consumption.
- Develop Practical Skills – Engage students in hands-on paper bag making to foster creativity and environmental responsibility.

Session Highlights:

The session began with an awareness talk focusing on the hazards of plastic pollution. Students learned how discarded plastics pollute soil, waterways, and oceans, harming wildlife and disrupting ecosystems. Demonstrations were given on paper bag making, explaining techniques for creating durable and reusable bags from recycled paper.

Students enthusiastically participated in the hands-on activity, showcasing creativity by designing and decorating their bags. Informal discussions during the activity encouraged participants to brainstorm ideas for further reducing plastic use in daily life.

(Arts | Commerce | Science) UGC Recognition under sec 2(f) of the UGC Act 1956 | Approved by Government of Maharashtra | NAAC Accredited with Grade "A" (1st Cycle) |
Affiliated to University of Mumbai | College Code -1064 | ISO Certified 9001:2015 | Hindi Linguistic Minority institution

The entire atmosphere was one of enthusiasm, learning, and commitment towards environmental sustainability. Students not only gained practical skill but also developed a sense of ownership towards the cause.

Key Outcomes:

- Increased awareness about environmental issues caused by plastic waste.
- Hands-on experience in making eco-friendly paper bags.
- Encouraged sustainable living practices among students.
- Contribution to the broader goal of sustainable cities and communities.
