Introduction

The Department of BBI organized a Comprehensive Orientation Programme for the students of Second Year and Third Year BBI on 12th June 2026 in the College Auditorium. The programme was conducted at the beginning of the academic year to acquaint students with the academic framework, departmental expectations, and various opportunities available for their holistic development. The session aimed at ensuring that students commence the academic year with clarity, confidence, and a sense of responsibility.

Objectives

- To enhance students' understanding of career prospects, higher education opportunities, and placement preparation.
- To encourage active participation in co-curricular and extracurricular activities for overall personality development.
- To provide a platform for interaction between students, faculty members, and department coordinators, fostering a positive learning environment.

Session Highlights

- The orientation programme was conducted separately for TYBBI and SYBBI students in the College Auditorium on 12th June 2026.
- Dr. Jinal Mehta served as the resource person and guided students regarding the academic framework for the academic year 2026-27.
- Detailed information was provided on the syllabus structure, course outcomes, examination pattern, internal assessment system, and attendance requirements.
- Students were acquainted with departmental rules, code of conduct, and institutional policies to ensure a disciplined academic environment.

- Various academic support services such as mentoring, remedial lectures, library resources, project guidance, and career development initiatives were introduced.
- The importance of active participation in seminars, workshops, industrial visits, competitions, NSS activities, and other co-curricular and extracurricular programmes was emphasized.
- An interactive question-and-answer session enabled students to clarify their doubts regarding academics, assessments, and departmental activities.
- The programme successfully prepared students for the new academic year by fostering awareness, motivation, and a sense of responsibility towards their academic and personal development.

Outcomes

The programme successfully familiarized students with the academic and administrative aspects of the department. It enhanced their understanding of course requirements, institutional expectations, and available support systems. Students gained clarity regarding their academic journey and were motivated to actively engage in various developmental activities throughout the academic year.

Conclusion

The Comprehensive Orientation Programme proved to be highly informative and beneficial for the students. It provided a strong foundation for the academic year 2026-27 by helping students understand their responsibilities, opportunities, and the resources available to them. The programme concluded on a positive note with students expressing confidence and enthusiasm for the upcoming academic year.
